However, if the State where the property is located permits cancellation on less than 30 days notice for any reason other than non-payment of premium, we may cancel this policy based upon the lesser notice period.
3. We will mail or deliver our notice to the first Named Insured's last mailing address known to us.
4. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.
5. If this policy is cancelled, we will send the first Named Insured any premium refund due. If we cancel, the refund will be pro rata. If you cancel, the refund will be 10% less than pro rata. The cancellation will be effective even if we have not made or offered a refund.

E. Insurance Under Two or More Coverages

If two or more of this policy's coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

F. Changes

This policy contains all the agreements between you and us concerning the insurance afforded. The first Named Insured shown in the Declarations is authorized to make changes in the terms of this policy with our consent. This policy's terms can be amended or waived only by endorsement issued by us and made a part of this policy.

WINDSTORM OR HAIL PERCENTAGE DEDUCTIBLE

This endorsement modifies insurance provided under the following:

- BUILDING AND PERSONAL PROPERTY COVERAGE FORM
- CONDOMINIUM ASSOCIATION COVERAGE FORM
- CONDOMINIUM COMMERCIAL UNIT-OWNERS COVERAGE FORM

SCHEDULE*

Premises Number	Building Number	Windstorm or Hail Deductible Percentage

* Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

The Windstorm or Hail Deductible, as shown in the Schedule and set forth in this endorsement, applies to covered loss or damage caused directly or indirectly by Windstorm or Hail. This Deductible applies to each occurrence of Windstorm or Hail.

Nothing in this endorsement implies or affords coverage for any loss or damage that is excluded under the terms of the Water Exclusion or any other exclusion in this policy. If this policy is endorsed to cover Flood under the Flood Coverage Endorsement (or if you have a flood insurance policy), a separate Flood Deductible applies to loss or damage attributable to Flood, in accordance with the terms of that endorsement or policy.

As used in this endorsement, the terms "specific insurance" and "blanket insurance" have the following meanings: Specific insurance covers each item of insurance (for example, each building or personal property in a building) under a separate Limit of Insurance. Blanket insurance covers two or more items of insurance (for example, a building and personal property in that building, or two buildings) under a single Limit of Insurance. Items of insurance and corresponding Limit(s) Of Insurance are shown in the Declarations.

WINDSTORM OR HAIL DEDUCTIBLE CALCULATIONS

A. Calculation Of The Deductible – All Policies

1. A Deductible is calculated separately for, and applies separately to:
 - a. Each building that sustains loss or damage;
 - b. The personal property at each building at which there is loss or damage to personal property; and
 - c. Personal property in the open.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

If there is damage to both a building and personal property in that building, separate deductibles apply to the building and to the personal property.

2. We will not pay for loss or damage until the amount of loss or damage exceeds the applicable Deductible. We will then pay the amount of loss or damage in excess of that Deductible, up to the applicable Limit of Insurance, after any reduction required by any of the following: Coinsurance Condition; Agreed Value Optional Coverage; or any provision in a Value Reporting Form relating to full reporting or failure to submit reports.
3. When property is covered under the Coverage Extension for Newly Acquired Or Constructed Property: In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to a percentage of the value(s) of the property at time of loss. The applicable percentage for Newly Acquired Or Constructed Property is the highest percentage shown in the Schedule for any described premises.

B. Calculation Of The Deductible – Specific Insurance

1. Property Not Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to the applicable Windstorm or Hail Deductible Percentage (as shown in the Schedule) of the Limit(s) of Insurance applicable to the property that has sustained loss or damage.

2. Property Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to the applicable Windstorm or Hail Deductible Percentage (as shown in the Schedule) of the value(s) of the property that has sustained loss or damage. The value(s) to be used is the latest value(s) shown in the most recent Report of Values on file with us.

However:

- a. If the most recent Report of Values shows less than the full value(s) of the property on the report dates, we will determine the deductible amount as a percentage of the full value(s) as of the report dates.
- b. If the first Report of Values is not filed with us prior to loss or damage, we will determine the deductible amount as a percentage of the applicable Limit(s) of Insurance.

C. Calculation Of The Deductible – Blanket Insurance

1. Property Not Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to the applicable Windstorm or Hail Deductible Percentage (as shown in the Schedule) of the value(s) of the property that has sustained loss or damage. The value(s) to be used is that shown in the most recent Statement of Values on file with us.

2. Property Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for property that has sustained loss or damage, we will deduct an amount equal to the applicable Windstorm or Hail Deductible Percentage (as shown in the Schedule) of the value(s) of that property as of the time of loss or damage.

Examples – Application Of Deductible

Example 1 – Specific Insurance (B.1.)

The amount of loss to the damaged building is \$60,000.

The value of the damaged building at time of loss is \$100,000. The Coinsurance percentage shown in the Declarations is 80%; the minimum Limit of Insurance needed to meet the Coinsurance requirement is \$80,000 (80% of \$100,000).

The actual Limit of Insurance on the damaged building is \$70,000.

The Deductible is 1%.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

- Step (1): $\$70,000 \div \$80,000 = .875$
- Step (2): $\$60,000 \times .875 = \$52,500$
- Step (3): $\$70,000 \times 1\% = \700
- Step (4): $\$52,500 - \$700 = \$51,800$

The most we will pay is \$51,800. The remainder of the loss, \$8,200, is not covered due to the Coinsurance penalty for inadequate insurance (Steps (1) and (2)) and the application of the Deductible (Steps (3) and (4)).

Example 2 – Specific Insurance (B.1.)

The amounts of loss to the damaged property are \$60,000 (Building) and \$40,000 (Personal Property in building). The value of the damaged building at time of loss is \$100,000. The value of the personal property in that building is \$80,000. The Coinsurance percentage shown in the Declarations is 80%; the minimum Limits of Insurance needed to meet the Coinsurance requirement are \$80,000 (80% of \$100,000) for the building and \$64,000 (80% of \$80,000) for the personal property.

The actual Limits of Insurance on the damaged property are \$80,000 on the building and \$64,000 on the personal property (therefore, no Coinsurance penalty).

The Deductible is 2%.

Building

- Step (1): $\$80,000 \times 2\% = \$1,600$
- Step (2): $\$60,000 - \$1,600 = \$58,400$

Personal Property

- Step (1): $\$64,000 \times 2\% = \$1,280$
- Step (2): $\$40,000 - \$1,280 = \$38,720$

The most we will pay is \$97,120. The portion of the total loss not covered due to application of the Deductible is \$2,880.

Example 3 – Blanket Insurance (C.1.)

The sum of the values of Building 1 (\$500,000), Building 2 (\$500,000) and Building 3 (\$1,000,000), as shown in the most recent Statement of Values on file with us, is \$2,000,000.

The Coinsurance percentage shown in the Declarations is 90%; the minimum Blanket Limit of Insurance needed to meet the Coinsurance requirement is \$1,800,000 (90% of \$2,000,000).

The actual Blanket Limit Of Insurance covering Buildings 1, 2, and 3, shown in the Declarations, is \$1,800,000 (therefore, no Coinsurance penalty).

Buildings 1 and 2 have sustained damage; the amounts of loss to these buildings are \$40,000 (Building 1) and \$20,000 (Building 2).

The Deductible is 2%.

Building 1

- Step (1): $\$500,000 \times 2\% = \$10,000$
- Step (2): $\$40,000 - \$10,000 = \$30,000$

Building 2

- Step (1): $\$500,000 \times 2\% = \$10,000$
- Step (2): $\$20,000 - \$10,000 = \$10,000$

The most we will pay is \$40,000. The portion of the total loss not covered due to application of the Deductible is \$20,000.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

Example 4 – Blanket Insurance (C.1.)

The sum of the values of Building 1 (\$500,000), Building 2 (\$500,000), Personal Property at Building 1 (\$250,000) and Personal Property at Building 2 (\$250,000), as shown in the most recent Statement of Values on file with us, is \$1,500,000.

The Coinsurance percentage shown in the Declarations is 90%; the minimum Blanket Limit of Insurance needed to meet the Coinsurance requirement is \$1,350,000 (90% of \$1,500,000).

The actual Blanket Limit Of Insurance covering Buildings 1 and 2 and Personal Property at Buildings 1 and 2, shown in the Declarations, is \$1,350,000. Therefore, there is no Coinsurance penalty.

Building 1 and Personal Property at Building 1 have sustained damage; the amounts of loss are \$95,000 (Building) and \$5,000 (Personal Property).

The Deductible is 5%.

Building

Step (1): $\$500,000 \times 5\% = \$25,000$

Step (2): $\$95,000 - \$25,000 = \$70,000$

Personal Property

Step (1): $\$250,000 \times 5\% = \$12,500$

The loss, \$5,000, does not exceed the Deductible.

The most we will pay is \$70,000. The remainder of the building loss, \$25,000, is not covered due to application of the Deductible. There is no loss payment for the personal property.

Additional Coverage - Equipment Breakdown

The term Covered Cause of Loss includes the Additional Coverage Equipment Breakdown as described and limited below.

1. We will pay for direct physical damage to Covered Property that is the direct result of an “accident.” As used in this Additional Coverage, “accident” means a fortuitous event that causes direct physical damage to “covered equipment.” The event must be one of the following:
 - a. Mechanical breakdown, including rupture or bursting caused by centrifugal force;
 - b. Artificially generated electrical, magnetic or electromagnetic energy, including electric arcing, that damages, disturbs, disrupts or otherwise interferes with any electrical or electronic wire, device, appliance, system or network;
 - c. Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control;

 - e. Loss or damage to hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment.
2. Unless otherwise shown in a “schedule,” the following coverages also apply to the direct result of an “accident.” These coverages do not provide additional amounts of insurance.
 - a. Expediting Expenses
With respect to your damaged Covered Property, we will pay the reasonable extra cost to:
 - (1) Make temporary repairs; and
 - (2) Expedite permanent repairs or permanent replacement.The most we will pay for loss or expense under this coverage is \$25,000 unless otherwise shown in a “schedule.”
 - b. Hazardous Substances
We will pay your additional cost to repair or replace Covered Property because of contamination by a “hazardous substance.” This includes the additional expenses to clean up or dispose of such property. This does not include contamination of “perishable goods” by refrigerant, including but not limited to ammonia, which is addressed in 2.c.(1)(b) below. As used in this coverage, additional costs mean those beyond what would have been payable under this Equipment Breakdown Coverage had no “hazardous substance” been involved.
The most we will pay for loss, damage or expense under this coverage, including actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered, is \$25,000 unless otherwise shown in a “schedule.”
 - c. Spoilage
 - (1) We will pay:
 - (a) For physical damage to “perishable goods” due to spoilage;
 - (b) For physical damage to “perishable goods” due to contamination from the release of refrigerant, including but not limited to ammonia;
 - (c) Any necessary expenses you incur to reduce the amount of loss under this coverage to the extent that they do not exceed the amount of loss that otherwise would have been payable under this coverage.
 - (2) If you are unable to replace the “perishable goods” before its anticipated sale, the amount of our payment will be determined on the basis of the sales price of the “perishable goods” at the time of

the “accident,” less discounts and expenses you otherwise would have had. Otherwise our payment will be determined in accordance with the Valuation condition.

The most we will pay for loss, damage or expense under this coverage is \$25,000 unless otherwise shown in a “schedule.”

d. Data Restoration

We will pay for your reasonable and necessary cost to research, replace and restore lost “data.”

The most we will pay for loss or expense under this coverage, including actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered, is \$25,000 unless otherwise shown in a “schedule.”

e. Service Interruption

(1) Any insurance provided for Business Income, Extra Expense or Spoilage is extended to apply to your loss, damage or expense caused by the interruption of utility services. The interruption must result from an “accident” to equipment, including overhead transmission lines, that is owned by a utility, landlord, a landlord’s utility or other supplier who provides you with any of the following services: electrical power, waste disposal, air conditioning, refrigeration, heating, natural gas, compressed air, water, steam, internet access, telecommunications services, wide area networks or data transmission. The equipment must meet the definition of “covered equipment” except that it is not Covered Property.

(2) Unless otherwise shown in a “schedule,” coverage for any loss of Business Income you sustain resulting from the interruption of utility services will not apply unless the failure or disruption of service exceeds 24 hours immediately following the “accident.” If the interruption exceeds 24 hours, coverage will begin at the time of the interruption, and the deductible applicable to Business Income will apply.

(3) The most we will pay in any “one accident” for loss, damage or expense under this coverage is the applicable limit for Business Income, Extra Expense or Spoilage, except that if a limit is shown in a “schedule” for Service Interruption, that limit will apply to Business Income and Extra Expense loss under this coverage.

f. “Fungus,” Wet Rot, Dry Rot And Bacteria

(1) We will pay your additional cost to repair or replace Covered Property because of contamination by “fungus,” wet rot, dry rot or bacteria resulting from an “accident.” This includes the additional costs to clean up or dispose of such property. This does not include spoilage of personal property that is “perishable goods” to the extent that such spoilage is covered under Spoilage coverage.

(2) As used in this coverage, additional costs mean those beyond what would have been payable under this Equipment Breakdown Coverage had no “fungus,” wet rot, dry rot or bacteria been involved.

(3) We will also pay the cost of testing performed after repair or replacement of the damaged Covered Property is completed only to the extent that there is reason to believe there is the presence of “fungus,” wet rot, dry rot or bacteria.

(4) This coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.

(5) The most we will pay in any “one accident” for loss, damage or expense under this coverage, including actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered, is \$15,000 unless otherwise shown in a “schedule” even if the “fungus,” wet rot, dry rot or bacteria continues to be present or active or recurs in a later policy period.

g. Business Income and Extra Expense

Any insurance provided under the coverage part for Business Income or Extra Expense is extended to the coverage provided by this endorsement. However, if a deductible is shown in a “schedule,” then as respects Equipment Breakdown coverage, the “period of restoration” will begin immediately after the “accident,” and the deductible shown in the “schedule” will apply. The most we will pay for loss or expense under this coverage is the applicable limit for Business Income and Extra Expense, unless otherwise shown in a “schedule.”

3. EXCLUSIONS

All exclusions in the applicable Causes of Loss form apply except as modified below and to the extent that coverage is specifically provided by this endorsement.

a. The following exclusions are modified:

- (1) If the Causes of Loss - Basic Form or Causes of Loss - Broad Form applies, the following is added to Exclusion B.2.:

Depletion, deterioration, corrosion, erosion, wear and tear, or other gradually developing conditions. However, if an "accident" results, we will pay for the resulting loss, damage or expense caused by that "accident."

- (2) The following is added to Exclusion B.1.g.:

However, if electrical "covered equipment" requires drying out because of Water, we will pay for the direct expenses of such drying out subject to the applicable Limit of Insurance and deductible for Building or Business Personal Property, whichever applies.

- (3) If the Causes of Loss - Special Form applies, as respects this endorsement only, the last paragraph of Exclusion B.2.d. is deleted and replaced with the following:

But if an excluded cause of loss that is listed in 2.d. (1) through (7) results in an "accident," we will pay for the loss, damage or expense caused by that "accident."

b. The following exclusions are added:

- (1) We will not pay for loss, damage or expense caused by or resulting from:

(a) A hydrostatic, pneumatic or gas pressure test of any boiler or pressure vessel, or an electrical insulation breakdown test of any type of electrical equipment; or

(b) Any of the following:

(i) Defect, programming error, programming limitation, computer virus, malicious code, loss of "data," loss of access, loss of use, loss of functionality or other condition within or involving "data" or "media" of any kind; or

However, if an "accident" results, we will pay for the resulting loss, damage or expense caused by that "accident."

- (2) With respect to Service Interruption and "Fungus", Wet Rot, Dry Rot And Bacteria coverage, we will also not pay for an "accident" caused by or resulting from: fire; lightning; windstorm or hail; explosion (except as specifically provided in A.1.c. above); smoke; aircraft or vehicles; riot or civil commotion; vandalism; sprinkler leakage; falling objects; weight of snow, ice or sleet; freezing; collapse; flood or earth movement.

- (3) With respect to Business Income, Extra Expense and Service Interruption coverages, we will also not pay for:

This includes, but is not limited to, costs arising from clean up, removal, or abatement of such "fungus," wet rot, dry rot or bacteria. However, this exclusion does not apply to spoilage of personal property that is "perishable goods," to the extent that such spoilage is covered under Spoilage coverage.

- (5) We will not pay for any loss or damage to animals.

4. DEFINITIONS

The following definitions are added:

- a. “Boilers and vessels” means:
- (1) Any boiler, including attached steam, condensate and feedwater piping; and
 - (2) Any fired or unfired pressure vessel subject to vacuum or internal pressure other than the static pressure of its contents.
- This term does not appear elsewhere in this endorsement, but may appear in a “schedule.”

- (1) “Covered equipment” means, unless otherwise specified in a “schedule,” Covered Property:
 - (a) That generates, transmits or utilizes energy; or

“Covered equipment” may utilize conventional design and technology or new or newly commercialized design and technology.
 - (2) None of the following is “covered equipment”:
 - (a) Structure, foundation, cabinet or compartment;
 - (b) Insulating or refractory material;
 - (c) Sewer piping, buried vessels or piping, or piping forming a part of a sprinkler or fire suppression system;
 - (d) Water piping other than boiler feedwater piping, boiler condensate return piping or water piping forming a part of a refrigerating or air conditioning system;

- g. “Perishable goods” means personal property maintained under controlled conditions for its preservation, and susceptible to loss or damage if the controlled conditions change.
- h. “Production machinery” means any machine or apparatus that processes or produces a product intended for eventual sale. B. The Building and Personal Property Coverage Form, Condominium Association Coverage Form and Condominium Commercial Unit – Owners Coverage Form are modified as follows.

The definitions stated above also apply to section B. of this endorsement.

1. DEDUCTIBLE

The deductible in the Declarations applies unless a separate Equipment Breakdown deductible is shown in a “schedule.” If a separate Equipment Breakdown deductible is shown, the following applies.

Only as regards Equipment Breakdown Coverage, provision D. DEDUCTIBLE is deleted and replaced with the following:

a. Deductibles for Each Coverage

- (1) Unless the “schedule” indicates that your deductible is combined for all coverages, multiple deductibles may apply to any “one accident.”
- (2) We will not pay for loss, damage or expense under any coverage until the amount of the covered loss, damage or expense exceeds the deductible amount indicated for that coverage in the “schedule.” We will then pay the amount of loss, damage or expense in excess of the applicable deductible amount, subject to the applicable limit.
- (3) If deductibles vary by type of “covered equipment” and more than one type of “covered equipment” is involved in any “one accident,” only the highest deductible for each coverage will apply.

b. Direct and Indirect Coverages

- (1) Direct Coverages Deductibles and Indirect Coverages Deductibles may be indicated in the “schedule.”
- (2) Unless more specifically indicated in the “schedule”:
 - (a) Indirect Coverages Deductibles apply to Business Income and Extra Expense loss; and
 - (b) Direct Coverages Deductibles apply to all remaining loss, damage or expense covered by this endorsement.

c. Application of Deductibles

(1) Dollar Deductibles

We will not pay for loss, damage or expense resulting from any “one accident” until the amount of loss, damage or expense exceeds the applicable Deductible shown in the “schedule.” We will then pay the amount of loss, damage or expense in excess of the applicable Deductible or Deductibles, up to the applicable Limit of Insurance.

(2) Time Deductible

If a time deductible is shown in the “schedule,” we will not be liable for any loss occurring during the specified number of hours or days immediately following the “accident.” If a time deductible is expressed in days, each day shall mean twenty-four consecutive hours.

(3) Multiple of Average Daily Value (ADV)

If a deductible is expressed as a number times ADV, that amount will be calculated as follows:

The ADV (Average Daily Value) will be the Business Income (as defined in any Business Income coverage that is part of this policy) that would have been earned during the period of interruption of business had no “accident” occurred, divided by the number of working days in that period. No reduction shall be made for the Business Income not being earned, or in the number of working days, because of the “accident” or any other scheduled or unscheduled shutdowns during the period of interruption. The ADV applies to the Business Income value of the entire location, whether or not the loss affects the entire location. If more than one location is included in the valuation of the loss, the ADV will be the combined value of all affected locations. For purposes of this calculation, the period of interruption may not extend beyond the “period of restoration.”

The number indicated in the “schedule” will be multiplied by the ADV as determined above. The result shall be used as the applicable deductible.

(4) Percentage of Loss Deductibles

If a deductible is expressed as a percentage of loss, we will not be liable for the indicated percentage of the gross amount of loss, damage or expense (prior to any applicable deductible or coinsurance) insured under the applicable coverage. If the dollar amount of such percentage is less than the indicated minimum deductible, the minimum deductible will be the applicable deductible.

2. CONDITIONS

The following conditions are in addition to the Conditions in the Building and Personal Property Coverage Form, Condominium Association Coverage Form, Condominium Commercial Unit – Owners Coverage Form, the Commercial Property Conditions and the Common Policy Conditions.

a. Suspension

Whenever “covered equipment” is found to be in, or exposed to, a dangerous condition, any of our representatives may immediately suspend the insurance against loss from an “accident” to that “covered equipment.” This can be done by mailing or delivering a written notice of suspension to:

- (1) Your last known address; or
- (2) The address where the “covered equipment” is located.

Once suspended in this way, your insurance can be reinstated only by an endorsement for that “covered equipment.” If we suspend your insurance, you will get a pro rata refund of premium for that “covered equipment” for the period of suspension. But the suspension will be effective even if we have not yet made or offered a refund.

b. Jurisdictional Inspections

If any property that is “covered equipment” under this endorsement requires inspection to comply with state or municipal boiler and pressure vessel regulations, we agree to perform such inspection on your behalf. We do not warrant that conditions are safe or healthful.

c. Environmental, Safety and Efficiency Improvements

If “covered equipment” requires replacement due to an “accident,” we will pay your additional cost to replace with equipment that is better for the environment, safer for people, or more energy or water efficient than the equipment being replaced.

However, we will not pay to increase the size or capacity of the equipment and we will not pay more than 150% of what the cost would have been to replace with like kind and quality. This condition does not apply to the replacement of component parts or to any property to which Actual Cash Value applies and does not increase any of the applicable limits.

d. Coinsurance

If a coinsurance percentage is shown in a “schedule” for specified coverages, the following condition applies.

We will not pay for the full amount of your loss if the applicable limit is less than the product of the specified coinsurance percentage times the value of the property subject to the coverage at the time of the loss. Instead, we will determine what percentage this calculated product is compared to the applicable limit and apply that percentage to the gross amount of loss. We will then subtract the applicable deductible. The resulting amount, or the applicable limit, is the most we will pay. We will not pay for the remainder of the loss. Coinsurance applies separately to each insured location.

The most we will pay for loss, damage or expense under this endorsement arising from any “one accident” is the applicable Limit of Insurance in the Declarations unless otherwise shown in a “schedule.” Coverage provided under this endorsement does not provide an additional amount of insurance.

CONDOMINIUM ASSOCIATION COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section H. Definitions.

A. Coverage

We will pay for direct physical loss of or damage to Covered Property at the premises described in the Declarations caused by or resulting from any Covered Cause of Loss.

1. Covered Property

Covered Property, as used in this Coverage Part, means the type of property described in this section, **A.1.**, and limited in **A.2.** Property Not Covered, if a Limit Of Insurance is shown in the Declarations for that type of property.

a. Building, meaning the building or structure described in the Declarations, including:

- (1) Completed additions;
- (2) Fixtures, outside of individual units, including outdoor fixtures;
- (3) Permanently installed:
 - (a) Machinery; and
 - (b) Equipment;
- (4) Personal property owned by you that is used to maintain or service the building or structure or its premises, including:
 - (a) Fire-extinguishing equipment;
 - (b) Outdoor furniture;
 - (c) Floor coverings; and
 - (d) Appliances used for refrigerating, ventilating, cooking, dishwashing or laundering that are not contained within individual units;
- (5) If not covered by other insurance:
 - (a) Additions under construction, alterations and repairs to the building or structure;

(b) Materials, equipment, supplies, and temporary structures, on or within 100 feet of the described premises, used for making additions, alterations or repairs to the building or structure; and

(6) Any of the following types of property contained within a unit, regardless of ownership, if your Condominium Association Agreement requires you to insure it:

(a) Fixtures, improvements and alterations that are a part of the building or structure; and

(b) Appliances, such as those used for refrigerating, ventilating, cooking, dishwashing, laundering, security or housekeeping.

But Building does not include personal property owned by, used by or in the care, custody or control of a unit-owner except for personal property listed in Paragraph **A.1.a.(6)** above.

b. Your Business Personal Property located in or on the building or structure described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises, consisting of the following:

(1) Personal property owned by you or owned indivisibly by all unit-owners;

(2) Your interest in the labor, materials or services furnished or arranged by you on personal property of others; and

(3) Leased personal property for which you have a contractual responsibility to insure, unless otherwise provided for under Personal Property Of Others.

But Your Business Personal Property does not include personal property owned only by a unit-owner.

c. Personal Property Of Others that is:

- (1) In your care, custody or control; and
- (2) Located in or on the building or structure described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

However, our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

2. Property Not Covered

Covered Property does not include:

- a. Accounts, bills, currency, food stamps or other evidences of debt, money, notes or securities. Lottery tickets held for sale are not securities;
- b. Animals, unless owned by others and boarded by you;
- c. Automobiles held for sale;
- d. Bridges, roadways, walks, patios or other paved surfaces;
- e. Contraband, or property in the course of illegal transportation or trade;

- l. Retaining walls that are not part of a building;
- m. Underground pipes, flues or drains;
- n. Electronic data, except as provided under the Additional Coverage, Electronic Data. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data. This paragraph, n., does not apply to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system;
- o. The cost to replace or restore the information on valuable papers and records, including those which exist as electronic data. Valuable papers and records include but are not limited to proprietary information, books of account, deeds, manuscripts, abstracts, drawings and card index systems. Refer to the Coverage Extension for Valuable Papers And Records (Other Than Electronic Data) for limited coverage for valuable papers and records other than those which exist as electronic data;
- p. Vehicles or self-propelled machines (including aircraft or watercraft) that:
 - (1) Are licensed for use on public roads; or
 - (2) Are operated principally away from the described premises.This paragraph does not apply to:

3. Covered Causes Of Loss

See applicable Causes Of Loss form as shown in the Declarations.

4. Additional Coverages

a. Debris Removal

- (1) Subject to Paragraphs (2), (3) and (4), we will pay your expense to remove debris of Covered Property and other debris that is on the described premises, when such debris is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to:
 - (a) Remove debris of property of yours that is not insured under this policy, or property in your possession that is not Covered Property;
 - (b) Remove any property that is Property Not Covered, including property addressed under the Outdoor Property Coverage Extension;
 - (c) Remove property of others of a type that would not be Covered Property under this Coverage Form;
 - (d) Remove deposits of mud or earth from the grounds of the described premises;
 - (e) Extract "pollutants" from land or water; or
 - (f) Remove, restore or replace polluted land or water.

(3) Subject to the exceptions in Paragraph (4), the following provisions apply:

- (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
- (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage. However, if no Covered Property has sustained direct physical loss or damage, the most we will pay for removal of debris of other property (if such removal is covered under this Additional Coverage) is \$5,000 at each location.
- (4) We will pay up to an additional \$25,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:

- (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.
- (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if (4)(a) and/or (4)(b) applies, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$25,000.

(5) Examples

The following examples assume that there is no Coinsurance penalty.

Example 1

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 50,000
Amount of Loss Payable:	\$ 49,500
	(\$50,000 – \$500)
Debris Removal Expense:	\$ 10,000
Debris Removal Expense Payable:	\$ 10,000
	(\$10,000 is 20% of \$50,000.)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of Paragraph (3).

Example 2

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 80,000
Amount of Loss Payable:	\$ 79,500
	(\$80,000 – \$500)
Debris Removal Expense:	\$ 40,000
Debris Removal Expense Payable	
Basic Amount:	\$ 10,500
Additional Amount:	\$ 25,000

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000, capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$40,000) exceeds 25% of the loss payable plus the deductible (\$40,000 = 50% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$40,000 = \$119,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$25,000, the maximum payable under Paragraph (4). Thus, the total payable for debris removal expense in this example is \$35,500; \$4,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary for you to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$1,000 for service at each premises described in the Declarations unless a higher limit is shown in the Declarations. Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed.

This Additional Coverage applies to your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

No Deductible applies to this Additional Coverage.

d. Pollutant Clean-up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is \$10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

e. Increased Cost Of Construction

- (1) This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.
- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with the minimum standards of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in **e.(3)** through **e.(9)** of this Additional Coverage.
- (3) The ordinance or law referred to in **e.(2)** of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises and is in force at the time of loss.
- (4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:
 - (a) You were required to comply with before the loss, even when the building was undamaged; and
 - (b) You failed to comply with.
- (5) Under this Additional Coverage, we will not pay for:
 - (a) The enforcement of or compliance with any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
 - (b) Any costs associated with the enforcement of or compliance with an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

- (6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is \$10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of \$10,000 or 5% times the value of the damaged building as of the time of loss times the applicable Coinsurance percentage.

The amount payable under this Additional Coverage is additional insurance.

- (7) With respect to this Additional Coverage:
 - (a) We will not pay for the Increased Cost of Construction:
 - (i) Until the property is actually repaired or replaced, at the same or another premises; and
 - (ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - (b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the same premises.
 - (c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the new premises.
- (8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.

- (9) The costs addressed in the Loss Payment and Valuation Conditions and the Replacement Cost Optional Coverage, in this Coverage Form, do not include the increased cost attributable to enforcement of or compliance with an ordinance or law. The amount payable under this Additional Coverage, as stated in e.(6) of this Additional Coverage, is not subject to such limitation.

f. Electronic Data

- (1) Under this Additional Coverage, electronic data has the meaning described under Property Not Covered, Electronic Data. This Additional Coverage does not apply to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system.
- (2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.
- (3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage, Electronic Data, subject to the following:
- (a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Electronic Data, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
- (b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Electronic Data, includes Collapse as set forth in that form.
- (c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Electronic Data.

- (d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.

- (4) The most we will pay under this Additional Coverage, Electronic Data, is \$2,500 (unless a higher limit is shown in the Declarations) for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

a. Newly Acquired Or Constructed Property

(1) Buildings

You may extend the insurance that applies to Building to apply to:

- (a) Your new buildings while being built on the described premises; and

(b) Buildings you acquire at locations, other than the described premises, intended for:

- (i) Similar use as the building described in the Declarations; or
- (ii) Use as a warehouse.

The most we will pay for loss or damage under this Extension is \$250,000 at each building.

(2) Your Business Personal Property

(a) If this policy covers Your Business Personal Property, you may extend that insurance to apply to:

- (i) Business personal property, including such property that you newly acquire, at any location you acquire other than at fairs, trade shows or exhibitions; or
- (ii) Business personal property, including such property that you newly acquire, located at your newly constructed or acquired buildings at the location described in the Declarations.

The most we will pay for loss or damage under this Extension is \$100,000 at each building.

(b) This Extension does not apply to:

- (i) Personal property of others that is temporarily in your possession in the course of installing or performing work on such property; or
- (ii) Personal property of others that is temporarily in your possession in the course of your manufacturing or wholesaling activities.

(3) Period Of Coverage

With respect to insurance provided under this Coverage Extension for Newly Acquired Or Constructed Property, coverage will end when any of the following first occurs:

(a) This policy expires;

(b) 30 days expire after you acquire the property or begin construction of that part of the building that would qualify as covered property; or

(c) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.

b. Personal Effects And Property Of Others

You may extend the insurance that applies to Your Business Personal Property to apply to:

- (1) Personal effects owned by you, your officers, your partners or members, your managers or your employees. This Extension does not apply to loss or damage by theft.
- (2) Personal property of others in your care, custody or control.

The most we will pay for loss or damage under this Extension is \$2,500 at each described premises. Our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

c. Valuable Papers And Records (Other Than Electronic Data)

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Extension does not apply to valuable papers and records which exist as electronic data. Electronic data has the meaning described under Property Not Covered, Electronic Data.
- (2) If the Causes Of Loss – Special Form applies, coverage under this Extension is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
- (3) If the Causes Of Loss – Broad Form applies, coverage under this Extension includes Collapse as set forth in that form.

- (4) Under this Extension, the most we will pay to replace or restore the lost information is \$2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist) and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and, therefore, coverage of such costs is not additional insurance.

d. Property Off-premises

- (1) You may extend the insurance provided by this Coverage Form to apply to your Covered Property while it is away from the described premises, if it is:
 - (a) Temporarily at a location you do not own, lease or operate;
 - (b) In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or
 - (c) At any fair, trade show or exhibition.
- (2) This Extension does not apply to property:
 - (a) In or on a vehicle; or
 - (b) In the care, custody or control of your salespersons, unless the property is in such care, custody or control at a fair, trade show or exhibition.
- (3) The most we will pay for loss or damage under this Extension is \$10,000.

e. Outdoor Property

You may extend the insurance provided by this Coverage Form to apply to your outdoor fences, radio and television antennas (including satellite dishes), trees, shrubs and plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), including debris removal expense, caused by or resulting from any of the following causes of loss if they are Covered Causes of Loss:

- (1) Fire;
- (2) Lightning;

- (3) Explosion;
- (4) Riot or Civil Commotion; or
- (5) Aircraft.

The most we will pay for loss or damage under this Extension is \$1,000, but not more than \$250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

Subject to all aforementioned terms and limitations of coverage, this Coverage Extension includes the expense of removing from the described premises the debris of trees, shrubs and plants which are the property of others.

f. Non-owned Detached Trailers

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to loss or damage to trailers that you do not own, provided that:
 - (a) The trailer is used in your business;
 - (b) The trailer is in your care, custody or control at the premises described in the Declarations; and
 - (c) You have a contractual responsibility to pay for loss or damage to the trailer.
- (2) We will not pay for any loss or damage that occurs:
 - (a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;
 - (b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.
- (3) The most we will pay for loss or damage under this Extension is \$5,000, unless a higher limit is shown in the Declarations.
- (4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

g. Business Personal Property Temporarily In Portable Storage Units

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to such property while temporarily stored in a portable storage unit (including a detached trailer) located within 100 feet of the described premises.
- (2) If the applicable Covered Causes of Loss form or endorsement contains a limitation or exclusion concerning loss or damage from sand, dust, sleet, snow, ice or rain to property in a structure, such limitation or exclusion also applies to property in a portable storage unit.
- (3) Coverage under this Extension:
 - (a) Will end 90 days after the business personal property has been placed in the storage unit;
 - (b) Does not apply if the storage unit itself has been in use at the described premises for more than 90 consecutive days, even if the business personal property has been stored there for 90 or fewer days as of the time of loss or damage.
- (4) Under this Extension, the most we will pay for the total of all loss or damage to business personal property is \$10,000 (unless a higher limit is indicated in the Declarations for such Extension) regardless of the number of storage units. Such limit is part of, not in addition to, the applicable Limit of Insurance on Your Business Personal Property. Therefore, payment under this Extension will not increase the applicable Limit of Insurance on Your Business Personal Property.
- (5) This Extension does not apply to loss or damage otherwise covered under this Coverage Form or any endorsement to this Coverage Form or policy, and does not apply to loss or damage to the storage unit itself.

Each of these Extensions is additional insurance unless otherwise indicated. The Additional Condition, Coinsurance, does not apply to these Extensions.

B. Exclusions And Limitations

See applicable Causes Of Loss form as shown in the Declarations.

C. Limits Of Insurance

The most we will pay for loss or damage in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs, whether or not the sign is attached to a building, is \$2,500 per sign in any one occurrence.

The amounts of insurance stated in the following Additional Coverages apply in accordance with the terms of such coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage:

- 1. Fire Department Service Charge;
- 2. Pollutant Clean-up And Removal;
- 3. Increased Cost Of Construction; and
- 4. Electronic Data.

Payments under the Preservation Of Property Additional Coverage will not increase the applicable Limit of Insurance.

D. Deductible

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

Example 1

(This example assumes there is no Coinsurance penalty.)

Deductible:	\$ 250
Limit of Insurance – Building 1:	\$ 60,000
Limit of Insurance – Building 2:	\$ 80,000
Loss to Building 1:	\$ 60,100
Loss to Building 2:	\$ 90,000

The amount of loss to Building 1 (\$60,100) is less than the sum (\$60,250) of the Limit of Insurance applicable to Building 1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Building 1:

\$ 60,100
– 250

\$ 59,850 Loss Payable – Building 1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Building 2. Loss payable for Building 2 is the Limit of Insurance of \$80,000.

Total amount of loss payable:

\$59,850 + \$80,000 = \$139,850

Example 2

(This example, too, assumes there is no Coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example 1.

Loss to Building 1:	\$ 70,000
(Exceeds Limit of Insurance plus Deductible)	
Loss to Building 2:	\$ 90,000
(Exceeds Limit of Insurance plus Deductible)	
Loss Payable – Building 1:	\$ 60,000
(Limit of Insurance)	
Loss Payable – Building 2:	\$ 80,000
(Limit of Insurance)	
Total amount of loss payable:	\$ 140,000

E. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

a. Pay its chosen appraiser; and

b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

a. You must see that the following are done in the event of loss or damage to Covered Property:

- (1) Notify the police if a law may have been broken.
- (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
- (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
- (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
- (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
- (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also, permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
- (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
- (8) Cooperate with us in the investigation or settlement of the claim.

- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Loss Payment

- a. In the event of loss or damage covered by this Coverage Form, at our option, we will either:
 - (1) Pay the value of lost or damaged property;
 - (2) Pay the cost of repairing or replacing the lost or damaged property, subject to **b.** below;
 - (3) Take all or any part of the property at an agreed or appraised value; or
 - (4) Repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.

- b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.
- c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- d. We will not pay you more than your financial interest in the Covered Property.
- e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.

- g. We will pay for covered loss or damage to Covered Property within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:

- (1) We have reached agreement with you on the amount of loss; or
- (2) An appraisal award has been made.

If you name an insurance trustee, we will adjust losses with you, but we will pay the insurance trustee. If we pay the trustee, the payments will satisfy your claims against us.

- h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation and Coinsurance Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

6. Unit-owner's Insurance

A unit-owner may have other insurance covering the same property as this insurance. This insurance is intended to be primary and not to contribute with such other insurance.

7. Vacancy

a. Description Of Terms

(1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in **(1)(a)** and **(1)(b)** below:

(a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

(b) When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

(i) Rented to a lessee or sublessee and used by the lessee or sublessee to conduct its customary operations; and/or

(ii) Used by the building owner to conduct customary operations.

(2) Buildings under construction or renovation are not considered vacant.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

(1) We will not pay for any loss or damage caused by any of the following even if they are Covered Causes of Loss:

(a) Vandalism;

(b) Sprinkler leakage, unless you have protected the system against freezing;

(c) Building glass breakage;

(d) Water damage;

(e) Theft; or

(f) Attempted theft.

(2) With respect to Covered Causes of Loss other than those listed in **b.(1)(a)** through **b.(1)(f)** above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

8. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

a. At actual cash value as of the time of loss or damage, except as provided in **b.** and **c.** below.

b. If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is \$2,500 or less, we will pay the cost of building repairs or replacement.

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property. However, the following property will be valued at the actual cash value, even when attached to the building:

(1) Awnings or floor coverings;

(2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or

(3) Outdoor equipment or furniture.

c. Glass at the cost of replacement with safety-glazing material if required by law.

9. Waiver Of Rights Of Recovery

We waive our rights to recover payment from any unit-owner of the condominium that is shown in the Declarations.

F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies:

a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

(1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;

(2) Divide the Limit of Insurance of the property by the figure determined in Step (1);

- (3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step (2); and
- (4) Subtract the deductible from the figure determined in Step (3).

We will pay the amount determined in Step (4) or the Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

Example 1 (Underinsurance)

When: The value of the property is: \$ 250,000
 The Coinsurance percentage for it is: 80%
 The Limit of Insurance for it is: \$ 100,000
 The Deductible is: \$ 250
 The amount of loss is: \$ 40,000

Step (1): $\$250,000 \times 80\% = \$200,000$
 (the minimum amount of insurance to meet your Coinsurance requirements)

Step (2): $\$100,000 \div \$200,000 = .50$

Step (3): $\$40,000 \times .50 = \$20,000$

Step (4): $\$20,000 - \$250 = \$19,750$

We will pay no more than \$19,750. The remaining \$20,250 is not covered.

Example 2 (Adequate Insurance)

When: The value of the property is: \$ 250,000
 The Coinsurance percentage for it is: 80%
 The Limit of Insurance for it is: \$ 200,000
 The Deductible is: \$ 250
 The amount of loss is: \$ 40,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 ($\$250,000 \times 80\%$). Therefore, the Limit of Insurance in this example is adequate and no penalty applies. We will pay no more than \$39,750 (\$40,000 amount of loss minus the deductible of \$250).

- b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

Example 3

When: The value of the property is:
 Building at Location 1: \$ 75,000
 Building at Location 2: \$ 100,000
 Personal Property at Location 2: \$ 75,000
 \$ 250,000

The Coinsurance percentage for it is: 90%

The Limit of Insurance for Buildings and Personal Property at Locations 1 and 2 is: \$ 180,000

The Deductible is: \$ 1,000

The amount of loss is:
 Building at Location 2: \$ 30,000

Personal Property at Location 2: \$ 20,000
 \$ 50,000

Step (1): $\$250,000 \times 90\% = \$225,000$
 (the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step (2): $\$180,000 \div \$225,000 = .80$

Step (3): $\$50,000 \times .80 = \$40,000$

Step (4): $\$40,000 - \$1,000 = \$39,000$

We will pay no more than \$39,000. The remaining \$11,000 is not covered.

2. Mortgageholders

- a. The term mortgageholder includes trustee.
- b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:
 - (1) Pays any premium due under this Coverage Part at our request if you have failed to do so;

- (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
- (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

- e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:
 - (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
 - (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgageholder at least:
 - (1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or
 - (2) 30 days before the effective date of cancellation if we cancel for any other reason.
- g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

G. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item:

1. Agreed Value

- a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.

- b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.
- c. The terms of this Optional Coverage apply only to loss or damage that occurs:
 - (1) On or after the effective date of this Optional Coverage; and
 - (2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

2. Inflation Guard

- a. The Limit of Insurance for property to which this Optional Coverage applies will automatically increase by the annual percentage shown in the Declarations.
- b. The amount of increase will be:
 - (1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times
 - (2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times
 - (3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

Example

If: The applicable Limit of Insurance is: \$ 100,000
 The annual percentage increase is: 8%
 The number of days since the beginning of the policy year (or last policy change) is: 146
 The amount of increase is:
 $\$100,000 \times .08 \times 146 \div 365 =$ \$ 3,200

3. Replacement Cost

- a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Loss Condition, Valuation, of this Coverage Form.
- b. This Optional Coverage does not apply to:
 - (1) Personal property of others;
 - (2) Contents of a residence; or
 - (3) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac.

Under the terms of this Replacement Cost Optional Coverage, personal property owned indivisibly by all unit-owners, and the property covered under Paragraph **A.1.a.(6)** of this Coverage Form, are not considered to be the personal property of others.

- c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.
- d. We will not pay on a replacement cost basis for any loss or damage:
 - (1) Until the lost or damaged property is actually repaired or replaced; and
 - (2) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage.
- e. We will not pay more for loss or damage on a replacement cost basis than the least of (1), (2) or (3), subject to f. below:
 - (1) The Limit of Insurance applicable to the lost or damaged property;
 - (2) The cost to replace the lost or damaged property with other property:
 - (a) Of comparable material and quality; and
 - (b) Used for the same purpose; or
 - (3) The amount actually spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost described in **e.(2)** above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

- f. The cost of repair or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

4. Extension Of Replacement Cost To Personal Property Of Others

- a. If the Replacement Cost Optional Coverage is shown as applicable in the Declarations, then this Extension may also be shown as applicable. If the Declarations show this Extension as applicable, then Paragraph **3.b.(1)** of the Replacement Cost Optional Coverage is deleted and all other provisions of the Replacement Cost Optional Coverage apply to replacement cost on personal property of others.

- b. With respect to replacement cost on the personal property of others, the following limitation applies:

If an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.

CAUSES OF LOSS – SPECIAL FORM

Words and phrases that appear in quotation marks have special meaning. Refer to Section **G**. Definitions.

A. Covered Causes Of Loss

When Special is shown in the Declarations, Covered Causes of Loss means direct physical loss unless the loss is excluded or limited in this policy.

B. Exclusions

1. We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

a. Ordinance Or Law

The enforcement of or compliance with any ordinance or law:

- (1) Regulating the construction, use or repair of any property; or
- (2) Requiring the tearing down of any property, including the cost of removing its debris.

This exclusion, Ordinance Or Law, applies whether the loss results from:

- (a) An ordinance or law that is enforced even if the property has not been damaged; or
- (b) The increased costs incurred to comply with an ordinance or law in the course of construction, repair, renovation, remodeling or demolition of property, or removal of its debris, following a physical loss to that property.

b. Earth Movement

- (1) Earthquake, including tremors and aftershocks and any earth sinking, rising or shifting related to such event;
- (2) Landslide, including any earth sinking, rising or shifting related to such event;
- (3) Mine subsidence, meaning subsidence of a man-made mine, whether or not mining activity has ceased;

- (4) Earth sinking (other than sinkhole collapse), rising or shifting including soil conditions which cause settling, cracking or other disarrangement of foundations or other parts of realty. Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.

But if Earth Movement, as described in **b.(1)** through **(4)** above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

- (5) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or Volcanic Action, we will pay for the loss or damage caused by that fire, building glass breakage or Volcanic Action.

Volcanic Action means direct loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

- (a) Airborne volcanic blast or airborne shock waves;
- (b) Ash, dust or particulate matter; or
- (c) Lava flow.

With respect to coverage for Volcanic Action as set forth in **(5)(a)**, **(5)(b)** and **(5)(c)**, all volcanic eruptions that occur within any 168-hour period will constitute a single occurrence.

Volcanic Action does not include the cost to remove ash, dust or particulate matter that does not cause direct physical loss or damage to the described property.

This exclusion applies regardless of whether any of the above, in Paragraphs **(1)** through **(5)**, is caused by an act of nature or is otherwise caused.

c. Governmental Action

Seizure or destruction of property by order of governmental authority.

But we will pay for loss or damage caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part.

d. Nuclear Hazard

Nuclear reaction or radiation, or radioactive contamination, however caused.

But if nuclear reaction or radiation, or radioactive contamination, results in fire, we will pay for the loss or damage caused by that fire.

e. Utility Services

The failure of power, communication, water or other utility service supplied to the described premises, however caused, if the failure:

- (1) Originates away from the described premises; or
- (2) Originates at the described premises, but only if such failure involves equipment used to supply the utility service to the described premises from a source away from the described premises.

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure or surge of power, or the failure of communication, water or other utility service, results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

Communication services include but are not limited to service relating to Internet access or access to any electronic, cellular or satellite network.

f. War And Military Action

- (1) War, including undeclared or civil war;

- (2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or

- (c) Doors, windows or other openings; or

- (5) Waterborne material carried or otherwise moved by any of the water referred to in Paragraph (1), (3) or (4), or material carried or otherwise moved by mudslide or mudflow.

This exclusion applies regardless of whether any of the above, in Paragraphs (1) through (5), is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs (1) through (5), results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

h. "Fungus", Wet Rot, Dry Rot And Bacteria

Presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria.

But if "fungus", wet or dry rot or bacteria result in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

This exclusion does not apply:

- (1) When "fungus", wet or dry rot or bacteria result from fire or lightning; or
- (2) To the extent that coverage is provided in the Additional Coverage, Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria, with respect to loss or damage by a cause of loss other than fire or lightning.

Exclusions B.1.a. through B.1.h. apply whether or not the loss event results in widespread damage or affects a substantial area.

(4) Settling, cracking, shrinking or expansion;

(5) Nesting or infestation, or discharge or release of waste products or secretions, by insects, birds, rodents or other animals.

(7) The following causes of loss to personal property:

(a) Dampness or dryness of atmosphere;

(b) Changes in or extremes of temperature; or

(c) Marring or scratching.

e. Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control. But if explosion of steam boilers, steam pipes, steam engines or steam turbines results in fire or combustion explosion, we will pay for the loss or damage caused by that fire or combustion explosion. We will also pay for loss or damage caused by or resulting from the explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.

f. Continuous or repeated seepage or leakage of water, or the presence or condensation of humidity, moisture or vapor, that occurs over a period of 14 days or more.

- g.** Water, other liquids, powder or molten material that leaks or flows from plumbing, heating, air conditioning or other equipment (except fire protective systems) caused by or resulting from freezing, unless:
 - (1)** You do your best to maintain heat in the building or structure; or
 - (2)** You drain the equipment and shut off the supply if the heat is not maintained.
- h.** Dishonest or criminal act (including theft) by you, any of your partners, members, officers, managers, employees (including temporary employees and leased workers), directors, trustees or authorized representatives, whether acting alone or in collusion with each other or with any other party; or theft by any person to whom you entrust the property for any purpose, whether acting alone or in collusion with any other party.

This exclusion:

- (1)** Applies whether or not an act occurs during your normal hours of operation;
- (2)** Does not apply to acts of destruction by your employees (including temporary employees and leased workers) or authorized representatives; but theft by your employees (including temporary employees and leased workers) or authorized representatives is not covered.

 - (3)** Any cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion as such condition relates to **(1)** or **(2)** above.

But if collapse results in a Covered Cause of Loss at the described premises, we will pay for the loss or damage caused by that Covered Cause of Loss.

This exclusion, **k.**, does not apply:

- (a)** To the extent that coverage is provided under the Additional Coverage, Collapse; or
 - (b)** To collapse caused by one or more of the following:
 - (i)** The "specified causes of loss";
 - (ii)** Breakage of building glass;
 - (iii)** Weight of rain that collects on a roof; or
 - (iv)** Weight of people or personal property.
 - l.** Discharge, dispersal, seepage, migration, release or escape of "pollutants" unless the discharge, dispersal, seepage, migration, release or escape is itself caused by any of the "specified causes of loss". But if the discharge, dispersal, seepage, migration, release or escape of "pollutants" results in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".
- This exclusion, **l.**, does not apply to damage to glass caused by chemicals applied to the glass.
- m.** Neglect of an insured to use all reasonable means to save and preserve property from further damage at and after the time of loss.
- 3.** We will not pay for loss or damage caused by or resulting from any of the following, **3.a.** through **3.c.** But if an excluded cause of loss that is listed in **3.a.** through **3.c.** results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.
- a.** Weather conditions. But this exclusion only applies if weather conditions contribute in any way with a cause or event excluded in Paragraph **1.** above to produce the loss or damage.
 - b.** Acts or decisions, including the failure to act or decide, of any person, group, organization or governmental body.

(2) To Business Income Coverage or to Extra Expense Coverage.

3. The special limit shown for each category, a. through d., is the total limit for loss of or damage to all property in that category. The special limit applies to any one occurrence of theft, regardless of the types or number of articles that are lost or damaged in that occurrence. The special limits are (unless a higher limit is shown in the Declarations):

- a. \$2,500 for furs, fur garments and garments trimmed with fur.

- b. Is directly caused by freezing.

However, this limitation does not apply to Business Income Coverage or to Extra Expense Coverage.

D. Additional Coverage – Collapse

The coverage provided under this Additional Coverage, Collapse, applies only to an abrupt collapse as described and limited in D.1. through D.7.

1. For the purpose of this Additional Coverage, Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.

2. We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this Coverage Form or that contains Covered Property insured under this Coverage Form, if such collapse is caused by one or more of the following:

- a. Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;
- b. Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
- c. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.
- d. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:

- (1) A cause of loss listed in 2.a. or 2.b.;
- (2) One or more of the "specified causes of loss";
- (3) Breakage of building glass;
- (4) Weight of people or personal property; or
- (5) Weight of rain that collects on a roof.

3. This **Additional Coverage – Collapse** does **not** apply to:

- a. A building or any part of a building that is in danger of falling down or caving in;
- b. A part of a building that is standing, even if it has separated from another part of the building; or
- c. A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

4. With respect to the following property:

- a. Outdoor radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers;

- b. Awnings, gutters and downspouts;
 - c. Yard fixtures;
 - d. Outdoor swimming pools;
 - e. Fences;
 - f. Piers, wharves and docks;
 - g. Beach or diving platforms or appurtenances;
 - h. Retaining walls; and
 - i. Walks, roadways and other paved surfaces;
- if an abrupt collapse is caused by a cause of loss listed in **2.a.** through **2.d.**, we will pay for loss or damage to that property only if:

- (1) Such loss or damage is a direct result of the abrupt collapse of a building insured under this Coverage Form; and
- (2) The property is Covered Property under this Coverage Form.

5. If personal property abruptly falls down or caves in and such collapse is **not** the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:
- a. The collapse of personal property was caused by a cause of loss listed in **2.a.** through **2.d.**;
 - b. The personal property which collapses is inside a building; and
 - c. The property which collapses is not of a kind listed in **4.**, regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph **5.** does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

- 6. This Additional Coverage, Collapse, does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
- 7. This Additional Coverage, Collapse, will not increase the Limits of Insurance provided in this Coverage Part.
- 8. The term Covered Cause of Loss includes the Additional Coverage, Collapse, as described and limited in **D.1.** through **D.7.**

E. Additional Coverage – Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria

1. The coverage described in **E.2.** and **E.6.** only applies when the "fungus", wet or dry rot or bacteria are the result of one or more of the following causes that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence:

- a. A "specified cause of loss" other than fire or lightning; or
- b. Flood, if the Flood Coverage Endorsement applies to the affected premises.

This Additional Coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.

2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:

- a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
- b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
- c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.

3. The coverage described under **E.2.** of this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continue to be present or active, or recur, in a later policy period.

4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph F.2. (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes Of Loss form or under the Additional Coverage, Collapse.
6. The following, 6.a. or 6.b., applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form:
- a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
 - b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

F. Additional Coverage Extensions

1. Property In Transit

This Extension applies only to your personal property to which this form applies.

- a. You may extend the insurance provided by this Coverage Part to apply to your personal property (other than property in the care, custody or control of your salespersons) in transit more than 100 feet from the described premises. Property must be in or on a motor vehicle you own, lease or operate while between points in the coverage territory.
- b. Loss or damage must be caused by or result from one of the following causes of loss:
 - (1) Fire, lightning, explosion, windstorm or hail, riot or civil commotion, or vandalism.
 - (2) Vehicle collision, upset or overturn. Collision means accidental contact of your vehicle with another vehicle or object. It does not mean your vehicle's contact with the roadbed.
 - (3) Theft of an entire bale, case or package by forced entry into a securely locked body or compartment of the vehicle. There must be visible marks of the forced entry.
- c. The most we will pay for loss or damage under this Extension is \$5,000.

This Coverage Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

2. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

3. Glass

- a. We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.
- b. We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

This Coverage Extension **F.3.** does not increase the Limit of Insurance.

G. Definitions

- 1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.
- 2. "Specified causes of loss" means the following:
 - a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:
 - (1) The cost of filling sinkholes; or
 - (2) Sinking or collapse of land into man-made underground cavities.
 - b. Falling objects does not include loss or damage to:
 - (1) Personal property in the open; or
 - (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.
 - c. Water damage means:
 - (1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam; and

- (2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe caused by wear and tear, when the pipe is located off the described premises and is connected to or is part of a potable water supply system or sanitary sewer system operated by a public or private utility service provider pursuant to authority granted by the state or governmental subdivision where the described premises are located.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage under this policy in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in **c.(1)** or **c.(2)** of this definition of "specified causes of loss," such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the surface of the ground.

B. The following exclusion is added:

CERTIFIED ACT OF TERRORISM EXCLUSION

We will not pay for loss or damage caused directly or indirectly by a "certified act of terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

C. Exception Covering Certain Fire Losses

The following exception to the exclusion in Paragraph B. applies only if indicated and as indicated in the Schedule of this endorsement.

If a "certified act of terrorism" results in fire, we will pay for the loss or damage caused by that fire. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements which apply to those forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

D. Application Of Other Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

All Coverage Parts included in this policy are subject to the following conditions.

A. Cancellation

1. The first Named Insured shown in the Declarations may cancel this policy by mailing or delivering to us advance written notice of cancellation.
2. We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation at least:
 - a. 10 days before the effective date of cancellation if we cancel for nonpayment of premium; or

However, if the State where the property is located permits cancellation on less than 30 days notice for any reason other than non-payment of premium, we may cancel this policy based upon the lesser notice period.
3. We will mail or deliver our notice to the first Named Insured's last mailing address known to us.
4. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.
5. If this policy is cancelled, we will send the first Named Insured any premium refund due. If we cancel, the refund will be pro rata. If you cancel, the refund will be 10% less than pro rata. The cancellation will be effective even if we have not made or offered a refund.

In the event of loss or damage, the value of property will be determined as of the time of loss or damage.

2. The Covered Property;
3. Your interest in the Covered Property; or
4. A claim under this policy.

D. Control of Property

E. Insurance Under Two or More Coverages

If two or more of this policy's coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

F. Changes

This policy contains all the agreements between you and us concerning the insurance afforded. The first Named Insured shown in the Declarations is authorized to make changes in the terms of this policy with our consent. This policy's terms can be amended or waived only by endorsement issued by us and made a part of this policy.

K. Non-renewal

1. If we decide not to renew this policy, we will mail or deliver written notice of non-renewal to the first Named Insured, at least 30 days before the expiration date, or the anniversary date if this is a policy written for a term of more than one year or with no fixed expiration date. If the state where the property is located requires us to provide another notice period, then such notice period will apply.
2. Any notice of non-renewal will be mailed or delivered to the first Named Insured at the last mailing address known to us.
3. If notice is mailed, proof of mailing will be sufficient proof of notice.

L. Other Insurance

1. You may have other insurance subject to the same or similar plan, terms, conditions and provisions as the insurance under this policy. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance under this policy bears to the Limits of Insurance of all insurance covering on the same basis.
2. If there is other insurance covering the same loss or damage, other than that described in 1. above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

M. Policy Period, Coverage Territory

Under this policy:

1. We cover loss or damage commencing:
 - a. During the policy period shown in the Declarations; and
 - b. Within the coverage territory.
2. The coverage territory is the United States of America (including its territories and possessions); Puerto Rico; and Canada.

N. Premiums

The first Named Insured shown in the Declarations is responsible for the payment of all premiums and will be the payee for any return premiums we pay.

O. Transfer of Rights of Recovery Against Others to Us

If any person or organization to or for whom we make payment under this policy has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

WINDSTORM OR HAIL PERCENTAGE DEDUCTIBLE

This endorsement modifies insurance provided under the following:

- BUILDING AND PERSONAL PROPERTY COVERAGE FORM
- CONDOMINIUM ASSOCIATION COVERAGE FORM
- CONDOMINIUM COMMERCIAL UNIT-OWNERS COVERAGE FORM

SCHEDULE*

Premises Number	Building Number	Windstorm or Hail Deductible Percentage

* Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

The Windstorm or Hail Deductible, as shown in the Schedule and set forth in this endorsement, applies to covered loss or damage caused directly or indirectly by Windstorm or Hail. This Deductible applies to each occurrence of Windstorm or Hail.

Nothing in this endorsement implies or affords coverage for any loss or damage that is excluded under the terms of the Water Exclusion or any other exclusion in this policy. If this policy is endorsed to cover Flood under the Flood Coverage Endorsement (or if you have a flood insurance policy), a separate Flood Deductible applies to loss or damage attributable to Flood, in accordance with the terms of that endorsement or policy.

As used in this endorsement, the terms "specific insurance" and "blanket insurance" have the following meanings: Specific insurance covers each item of insurance (for example, each building or personal property in a building) under a separate Limit of Insurance. Blanket insurance covers two or more items of insurance (for example, a building and personal property in that building, or two buildings) under a single Limit of Insurance. Items of insurance and corresponding Limit(s) Of Insurance are shown in the Declarations.

WINDSTORM OR HAIL DEDUCTIBLE CALCULATIONS

A. Calculation Of The Deductible – All Policies

1. A Deductible is calculated separately for, and applies separately to:
 - a. Each building that sustains loss or damage;
 - b. The personal property at each building at which there is loss or damage to personal property; and
 - c. Personal property in the open.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

If there is damage to both a building and personal property in that building, separate deductibles apply to the building and to the personal property.

2. We will not pay for loss or damage until the amount of loss or damage exceeds the applicable Deductible. We will then pay the amount of loss or damage in excess of that Deductible, up to the applicable Limit of Insurance, after any reduction required by any of the following: Coinsurance Condition; Agreed Value Optional Coverage; or any provision in a Value Reporting Form relating to full reporting or failure to submit reports.
3. When property is covered under the Coverage Extension for Newly Acquired Or Constructed Property: In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to a percentage of the value(s) of the property at time of loss. The applicable percentage for Newly Acquired Or Constructed Property is the highest percentage shown in the Schedule for any described premises.

B. Calculation Of The Deductible – Specific Insurance

1. Property Not Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to the applicable Windstorm or Hail Deductible Percentage (as shown in the Schedule) of the Limit(s) of Insurance applicable to the property that has sustained loss or damage.

2. Property Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to the applicable Windstorm or Hail Deductible Percentage (as shown in the Schedule) of the value(s) of the property that has sustained loss or damage. The value(s) to be used is the latest value(s) shown in the most recent Report of Values on file with us.

However:

- a. If the most recent Report of Values shows less than the full value(s) of the property on the report dates, we will determine the deductible amount as a percentage of the full value(s) as of the report dates.
- b. If the first Report of Values is not filed with us prior to loss or damage, we will determine the deductible amount as a percentage of the applicable Limit(s) of Insurance.

C. Calculation Of The Deductible – Blanket Insurance

1. Property Not Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to the applicable Windstorm or Hail Deductible Percentage (as shown in the Schedule) of the value(s) of the property that has sustained loss or damage. The value(s) to be used is that shown in the most recent Statement of Values on file with us.

2. Property Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for property that has sustained loss or damage, we will deduct an amount equal to the applicable Windstorm or Hail Deductible Percentage (as shown in the Schedule) of the value(s) of that property as of the time of loss or damage.

Examples – Application Of Deductible

Example 1 – Specific Insurance (B.1.)

The amount of loss to the damaged building is \$60,000.

The value of the damaged building at time of loss is \$100,000. The Coinsurance percentage shown in the Declarations is 80%; the minimum Limit of Insurance needed to meet the Coinsurance requirement is \$80,000 (80% of \$100,000).

The actual Limit of Insurance on the damaged building is \$70,000.

The Deductible is 1%.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

- Step (1): $\$70,000 \div \$80,000 = .875$
- Step (2): $\$60,000 \times .875 = \$52,500$
- Step (3): $\$70,000 \times 1\% = \700
- Step (4): $\$52,500 - \$700 = \$51,800$

The most we will pay is \$51,800. The remainder of the loss, \$8,200, is not covered due to the Coinsurance penalty for inadequate insurance (Steps (1) and (2)) and the application of the Deductible (Steps (3) and (4)).

Example 2 – Specific Insurance (B.1.)

The amounts of loss to the damaged property are \$60,000 (Building) and \$40,000 (Personal Property in building). The value of the damaged building at time of loss is \$100,000. The value of the personal property in that building is \$80,000. The Coinsurance percentage shown in the Declarations is 80%; the minimum Limits of Insurance needed to meet the Coinsurance requirement are \$80,000 (80% of \$100,000) for the building and \$64,000 (80% of \$80,000) for the personal property.

The actual Limits of Insurance on the damaged property are \$80,000 on the building and \$64,000 on the personal property (therefore, no Coinsurance penalty).

The Deductible is 2%.

Building

- Step (1): $\$80,000 \times 2\% = \$1,600$
- Step (2): $\$60,000 - \$1,600 = \$58,400$

Personal Property

- Step (1): $\$64,000 \times 2\% = \$1,280$
- Step (2): $\$40,000 - \$1,280 = \$38,720$

The most we will pay is \$97,120. The portion of the total loss not covered due to application of the Deductible is \$2,880.

Example 3 – Blanket Insurance (C.1.)

The sum of the values of Building 1 (\$500,000), Building 2 (\$500,000) and Building 3 (\$1,000,000), as shown in the most recent Statement of Values on file with us, is \$2,000,000.

The Coinsurance percentage shown in the Declarations is 90%; the minimum Blanket Limit of Insurance needed to meet the Coinsurance requirement is \$1,800,000 (90% of \$2,000,000).

The actual Blanket Limit Of Insurance covering Buildings 1, 2, and 3, shown in the Declarations, is \$1,800,000 (therefore, no Coinsurance penalty).

Buildings 1 and 2 have sustained damage; the amounts of loss to these buildings are \$40,000 (Building 1) and \$20,000 (Building 2).

The Deductible is 2%.

Building 1

- Step (1): $\$500,000 \times 2\% = \$10,000$
- Step (2): $\$40,000 - \$10,000 = \$30,000$

Building 2

- Step (1): $\$500,000 \times 2\% = \$10,000$
- Step (2): $\$20,000 - \$10,000 = \$10,000$

The most we will pay is \$40,000. The portion of the total loss not covered due to application of the Deductible is \$20,000.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

Example 4 – Blanket Insurance (C.1.)

The sum of the values of Building 1 (\$500,000), Building 2 (\$500,000), Personal Property at Building 1 (\$250,000) and Personal Property at Building 2 (\$250,000), as shown in the most recent Statement of Values on file with us, is \$1,500,000.

The Coinsurance percentage shown in the Declarations is 90%; the minimum Blanket Limit of Insurance needed to meet the Coinsurance requirement is \$1,350,000 (90% of \$1,500,000).

The actual Blanket Limit Of Insurance covering Buildings 1 and 2 and Personal Property at Buildings 1 and 2, shown in the Declarations, is \$1,350,000. Therefore, there is no Coinsurance penalty.

Building 1 and Personal Property at Building 1 have sustained damage; the amounts of loss are \$95,000 (Building) and \$5,000 (Personal Property).

The Deductible is 5%.

Building

Step (1): $\$500,000 \times 5\% = \$25,000$

Step (2): $\$95,000 - \$25,000 = \$70,000$

Personal Property

Step (1): $\$250,000 \times 5\% = \$12,500$

The loss, \$5,000, does not exceed the Deductible.

The most we will pay is \$70,000. The remainder of the building loss, \$25,000, is not covered due to application of the Deductible. There is no loss payment for the personal property.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.

This does not include contamination of “perishable goods” by refrigerant, including but not limited to ammonia, which is addressed in 2.c.(1)(b) below.  - (2) If you are unable to replace the “perishable goods” before its anticipated sale, the amount of our payment will be determined on the basis of the sales price of the “perishable goods” at the time of

the “accident,” less discounts and expenses you otherwise would have had. Otherwise our payment will be determined in accordance with the Valuation condition.

The equipment must meet the definition of “covered equipment” except that it is not Covered Property.
- (2) Unless otherwise shown in a “schedule,” coverage for any loss of Business Income you sustain resulting from the interruption of utility services will not apply unless the failure or disruption of service exceeds 24 hours immediately following the “accident.” If the interruption exceeds 24 hours, coverage will begin at the time of the interruption, and the deductible applicable to Business Income will apply.

- (5) The most we will pay in any “one accident” for loss, damage or expense under this coverage, including actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered, is \$15,000 unless otherwise shown in a “schedule” even if the “fungus,” wet rot, dry rot or bacteria continues to be present or active or recurs in a later policy period.

- This term does not appear elsewhere in this endorsement, but may appear in a “schedule.”
- i. “Schedule” means the Equipment Breakdown Coverage Schedule.
- j. “Vehicle” means, as respects this endorsement only, any machine or apparatus that is used for transportation or moves under its own power. “Vehicle” includes, but is not limited to: car, truck, bus, trailer, train, aircraft, watercraft, forklift, bulldozer, tractor or harvester.
- However, any property that is stationary, permanently installed at a covered location and that receives electrical power from an external power source will not be considered a “vehicle.”

B. The Building and Personal Property Coverage Form, Condominium Association Coverage Form and Condominium Commercial Unit – Owners Coverage Form are modified as follows.

The definitions stated above also apply to section B. of this endorsement.

1. DEDUCTIBLE

The deductible in the Declarations applies unless a separate Equipment Breakdown deductible is shown in a “schedule.” If a separate Equipment Breakdown deductible is shown, the following applies.

Only as regards Equipment Breakdown Coverage, provision D. DEDUCTIBLE is deleted and replaced with the following:

a. Deductibles for Each Coverage

- (1) Unless the “schedule” indicates that your deductible is combined for all coverages, multiple deductibles may apply to any “one accident.”
- (2) We will not pay for loss, damage or expense under any coverage until the amount of the covered loss, damage or expense exceeds the deductible amount indicated for that coverage in the “schedule.” We will then pay the amount of loss, damage or expense in excess of the applicable deductible amount, subject to the applicable limit.
- (3) If deductibles vary by type of “covered equipment” and more than one type of “covered equipment” is involved in any “one accident,” only the highest deductible for each coverage will apply.

b. Direct and Indirect Coverages

- (1) Direct Coverages Deductibles and Indirect Coverages Deductibles may be indicated in the “schedule.”
- (2) Unless more specifically indicated in the “schedule”:
 - (a) Indirect Coverages Deductibles apply to Business Income and Extra Expense loss; and
 - (b) Direct Coverages Deductibles apply to all remaining loss, damage or expense covered by this endorsement.

c. Application of Deductibles

(1) Dollar Deductibles

We will not pay for loss, damage or expense resulting from any “one accident” until the amount of loss, damage or expense exceeds the applicable Deductible shown in the “schedule.” We will then pay the amount of loss, damage or expense in excess of the applicable Deductible or Deductibles, up to the applicable Limit of Insurance.

(2) Time Deductible

If a time deductible is shown in the “schedule,” we will not be liable for any loss occurring during the specified number of hours or days immediately following the “accident.” If a time deductible is expressed in days, each day shall mean twenty-four consecutive hours.

(3) Multiple of Average Daily Value (ADV)

If a deductible is expressed as a number times ADV, that amount will be calculated as follows:

The ADV (Average Daily Value) will be the Business Income (as defined in any Business Income coverage that is part of this policy) that would have been earned during the period of interruption of business had no “accident” occurred, divided by the number of working days in that period. No reduction shall be made for the Business Income not being earned, or in the number of working days, because of the “accident” or any other scheduled or unscheduled shutdowns during the period of interruption. The ADV applies to the Business Income value of the entire location, whether or not the loss affects the entire location. If more than one location is included in the valuation of the loss, the ADV will be the combined value of all affected locations. For purposes of this calculation, the period of interruption may not extend beyond the “period of restoration.”

The number indicated in the “schedule” will be multiplied by the ADV as determined above. The result shall be used as the applicable deductible.

(4) Percentage of Loss Deductibles

If a deductible is expressed as a percentage of loss, we will not be liable for the indicated percentage of the gross amount of loss, damage or expense (prior to any applicable deductible or coinsurance) insured under the applicable coverage. If the dollar amount of such percentage is less than the indicated minimum deductible, the minimum deductible will be the applicable deductible.

2. CONDITIONS

The following conditions are in addition to the Conditions in the Building and Personal Property Coverage Form, Condominium Association Coverage Form, Condominium Commercial Unit – Owners Coverage Form, the Commercial Property Conditions and the Common Policy Conditions.

a. Suspension

Whenever “covered equipment” is found to be in, or exposed to, a dangerous condition, any of our representatives may immediately suspend the insurance against loss from an “accident” to that “covered equipment.” This can be done by mailing or delivering a written notice of suspension to:

- (1) Your last known address; or
- (2) The address where the “covered equipment” is located.

Once suspended in this way, your insurance can be reinstated only by an endorsement for that “covered equipment.” If we suspend your insurance, you will get a pro rata refund of premium for that “covered equipment” for the period of suspension. But the suspension will be effective even if we have not yet made or offered a refund.

b. Jurisdictional Inspections

If any property that is “covered equipment” under this endorsement requires inspection to comply with state or municipal boiler and pressure vessel regulations, we agree to perform such inspection on your behalf. We do not warrant that conditions are safe or healthful.

c. Environmental, Safety and Efficiency Improvements

If “covered equipment” requires replacement due to an “accident,” we will pay your additional cost to replace with equipment that is better for the environment, safer for people, or more energy or water efficient than the equipment being replaced.

However, we will not pay to increase the size or capacity of the equipment and we will not pay more than 150% of what the cost would have been to replace with like kind and quality. This condition does not apply to the replacement of component parts or to any property to which Actual Cash Value applies and does not increase any of the applicable limits.

d. Coinsurance

If a coinsurance percentage is shown in a “schedule” for specified coverages, the following condition applies.

We will not pay for the full amount of your loss if the applicable limit is less than the product of the specified coinsurance percentage times the value of the property subject to the coverage at the time of the loss. Instead, we will determine what percentage this calculated product is compared to the applicable limit and apply that percentage to the gross amount of loss. We will then subtract the applicable deductible. The resulting amount, or the applicable limit, is the most we will pay. We will not pay for the remainder of the loss. Coinsurance applies separately to each insured location.

The most we will pay for loss, damage or expense under this endorsement arising from any “one accident” is the applicable Limit of Insurance in the Declarations unless otherwise shown in a “schedule.” Coverage provided under this endorsement does not provide an additional amount of insurance.

CONDOMINIUM ASSOCIATION COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section H. Definitions.

A. Coverage

We will pay for direct physical loss of or damage to Covered Property at the premises described in the Declarations caused by or resulting from any Covered Cause of Loss.

1. Covered Property

Covered Property, as used in this Coverage Part, means the type of property described in this section, **A.1.**, and limited in **A.2.** Property Not Covered, if a Limit Of Insurance is shown in the Declarations for that type of property.

a. Building, meaning the building or structure described in the Declarations, including:

- (1) Completed additions;
- (2) Fixtures, outside of individual units, including outdoor fixtures;
- (3) Permanently installed:
 - (a) Machinery; and
 - (b) Equipment;
- (4) Personal property owned by you that is used to maintain or service the building or structure or its premises, including:
 - (a) Fire-extinguishing equipment;
 - (b) Outdoor furniture;
 - (c) Floor coverings; and
 - (d) Appliances used for refrigerating, ventilating, cooking, dishwashing or laundering that are not contained within individual units;
- (5) If not covered by other insurance:
 - (a) Additions under construction, alterations and repairs to the building or structure;

(b) Materials, equipment, supplies, and temporary structures, on or within 100 feet of the described premises, used for making additions, alterations or repairs to the building or structure; and

(6) Any of the following types of property contained within a unit, regardless of ownership, if your Condominium Association Agreement requires you to insure it:

(a) Fixtures, improvements and alterations that are a part of the building or structure; and

(b) Appliances, such as those used for refrigerating, ventilating, cooking, dishwashing, laundering, security or housekeeping.

But Building does not include personal property owned by, used by or in the care, custody or control of a unit-owner except for personal property listed in Paragraph **A.1.a.(6)** above.

b. Your Business Personal Property located in or on the building or structure described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises, consisting of the following:

(1) Personal property owned by you or owned indivisibly by all unit-owners;

(2) Your interest in the labor, materials or services furnished or arranged by you on personal property of others; and

(3) Leased personal property for which you have a contractual responsibility to insure, unless otherwise provided for under Personal Property Of Others.

But Your Business Personal Property does not include personal property owned only by a unit-owner.

c. Personal Property Of Others that is:

- (1) In your care, custody or control; and
- (2) Located in or on the building or structure described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

However, our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

2. Property Not Covered

Covered Property does not include:

- a. Accounts, bills, currency, food stamps or other evidences of debt, money, notes or securities. Lottery tickets held for sale are not securities;
- b. Animals, unless owned by others and boarded by you;
- c. Automobiles held for sale;
- d. Bridges, roadways, walks, patios or other paved surfaces;
- e. Contraband, or property in the course of illegal transportation or trade;
- f. The cost of excavations, grading, backfilling or filling;
- g. Foundations of buildings, structures, machinery or boilers if their foundations are below:
 - (1) The lowest basement floor; or
 - (2) The surface of the ground if there is no basement;
- h. Land (including land on which the property is located), water, growing crops or lawns (other than lawns which are part of a vegetated roof);
- i. Personal property while airborne or waterborne;
- j. Bulkheads, pilings, piers, wharves or docks;
- k. Property that is covered under this or any other policy in which it is more specifically described, except for the excess of the amount due (whether you can collect on it or not) from that other insurance;
- l. Retaining walls that are not part of a building;
- m. Underground pipes, flues or drains;
- n. Electronic data, except as provided under the Additional Coverage, Electronic Data. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data. This paragraph, n., does not apply to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system;
- o. The cost to replace or restore the information on valuable papers and records, including those which exist as electronic data. Valuable papers and records include but are not limited to proprietary information, books of account, deeds, manuscripts, abstracts, drawings and card index systems. Refer to the Coverage Extension for Valuable Papers And Records (Other Than Electronic Data) for limited coverage for valuable papers and records other than those which exist as electronic data;
- p. Vehicles or self-propelled machines (including aircraft or watercraft) that:
 - (1) Are licensed for use on public roads; or
 - (2) Are operated principally away from the described premises.

This paragraph does not apply to:

- (a) Vehicles or self-propelled machines or autos you manufacture or warehouse;
- (b) Vehicles or self-propelled machines, other than autos, you hold for sale;
- (c) Rowboats or canoes out of water at the described premises; or
- (d) Trailers, but only to the extent provided for in the Coverage Extension for Non-owned Detached Trailers; or

q. The following property while outside of buildings:

- (1) Grain, hay, straw or other crops; or
- (2) Fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, trees, shrubs or plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), all except as provided in the Coverage Extensions.

3. Covered Causes Of Loss

See applicable Causes Of Loss form as shown in the Declarations.

4. Additional Coverages

a. Debris Removal

- (1) Subject to Paragraphs (2), (3) and (4), we will pay your expense to remove debris of Covered Property and other debris that is on the described premises, when such debris is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to:
 - (a) Remove debris of property of yours that is not insured under this policy, or property in your possession that is not Covered Property;
 - (b) Remove any property that is Property Not Covered, including property addressed under the Outdoor Property Coverage Extension;
 - (c) Remove property of others of a type that would not be Covered Property under this Coverage Form;
 - (d) Remove deposits of mud or earth from the grounds of the described premises;
 - (e) Extract "pollutants" from land or water; or
 - (f) Remove, restore or replace polluted land or water.

(3) Subject to the exceptions in Paragraph (4), the following provisions apply:

- (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
- (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage. However, if no Covered Property has sustained direct physical loss or damage, the most we will pay for removal of debris of other property (if such removal is covered under this Additional Coverage) is \$5,000 at each location.
- (4) We will pay up to an additional \$25,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:

- (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.
- (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if (4)(a) and/or (4)(b) applies, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$25,000.

(5) Examples

The following examples assume that there is no Coinsurance penalty.

Example 1

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 50,000
Amount of Loss Payable:	\$ 49,500
	(\$50,000 – \$500)
Debris Removal Expense:	\$ 10,000
Debris Removal Expense Payable:	\$ 10,000
	(\$10,000 is 20% of \$50,000.)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of Paragraph (3).

Example 2

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 80,000
Amount of Loss Payable:	\$ 79,500
	(\$80,000 – \$500)
Debris Removal Expense:	\$ 40,000
Debris Removal Expense Payable	
Basic Amount:	\$ 10,500
Additional Amount:	\$ 25,000

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000, capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$40,000) exceeds 25% of the loss payable plus the deductible (\$40,000 = 50% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$40,000 = \$119,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$25,000, the maximum payable under Paragraph (4). Thus, the total payable for debris removal expense in this example is \$35,500; \$4,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary for you to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$1,000 for service at each premises described in the Declarations unless a higher limit is shown in the Declarations. Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed.

This Additional Coverage applies to your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

No Deductible applies to this Additional Coverage.

d. Pollutant Clean-up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is \$10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

e. Increased Cost Of Construction

- (1) This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.
- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with the minimum standards of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in **e.(3)** through **e.(9)** of this Additional Coverage.
- (3) The ordinance or law referred to in **e.(2)** of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises and is in force at the time of loss.
- (4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:
 - (a) You were required to comply with before the loss, even when the building was undamaged; and
 - (b) You failed to comply with.
- (5) Under this Additional Coverage, we will not pay for:
 - (a) The enforcement of or compliance with any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
 - (b) Any costs associated with the enforcement of or compliance with an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

- (6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is \$10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of \$10,000 or 5% times the value of the damaged building as of the time of loss times the applicable Coinsurance percentage.

The amount payable under this Additional Coverage is additional insurance.

- (7) With respect to this Additional Coverage:
 - (a) We will not pay for the Increased Cost of Construction:
 - (i) Until the property is actually repaired or replaced, at the same or another premises; and
 - (ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - (b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the same premises.
 - (c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the new premises.
- (8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.

- (9) The costs addressed in the Loss Payment and Valuation Conditions and the Replacement Cost Optional Coverage, in this Coverage Form, do not include the increased cost attributable to enforcement of or compliance with an ordinance or law. The amount payable under this Additional Coverage, as stated in e.(6) of this Additional Coverage, is not subject to such limitation.

f. Electronic Data

- (1) Under this Additional Coverage, electronic data has the meaning described under Property Not Covered, Electronic Data. This Additional Coverage does not apply to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system.
- (2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.
- (3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage, Electronic Data, subject to the following:
- (a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Electronic Data, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
- (b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Electronic Data, includes Collapse as set forth in that form.
- (c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Electronic Data.

- (d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.

- (4) The most we will pay under this Additional Coverage, Electronic Data, is \$2,500 (unless a higher limit is shown in the Declarations) for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

a. Newly Acquired Or Constructed Property

(1) Buildings

You may extend the insurance that applies to Building to apply to:

- (a) Your new buildings while being built on the described premises; and

(b) Buildings you acquire at locations, other than the described premises, intended for:

- (i) Similar use as the building described in the Declarations; or
- (ii) Use as a warehouse.

The most we will pay for loss or damage under this Extension is \$250,000 at each building.

(2) Your Business Personal Property

(a) If this policy covers Your Business Personal Property, you may extend that insurance to apply to:

- (i) Business personal property, including such property that you newly acquire, at any location you acquire other than at fairs, trade shows or exhibitions; or
- (ii) Business personal property, including such property that you newly acquire, located at your newly constructed or acquired buildings at the location described in the Declarations.

The most we will pay for loss or damage under this Extension is \$100,000 at each building.

(b) This Extension does not apply to:

- (i) Personal property of others that is temporarily in your possession in the course of installing or performing work on such property; or
- (ii) Personal property of others that is temporarily in your possession in the course of your manufacturing or wholesaling activities.

(3) Period Of Coverage

With respect to insurance provided under this Coverage Extension for Newly Acquired Or Constructed Property, coverage will end when any of the following first occurs:

(a) This policy expires;

(b) 30 days expire after you acquire the property or begin construction of that part of the building that would qualify as covered property; or

(c) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.

b. Personal Effects And Property Of Others

You may extend the insurance that applies to Your Business Personal Property to apply to:

- (1) Personal effects owned by you, your officers, your partners or members, your managers or your employees. This Extension does not apply to loss or damage by theft.
- (2) Personal property of others in your care, custody or control.

The most we will pay for loss or damage under this Extension is \$2,500 at each described premises. Our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

c. Valuable Papers And Records (Other Than Electronic Data)

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Extension does not apply to valuable papers and records which exist as electronic data. Electronic data has the meaning described under Property Not Covered, Electronic Data.
- (2) If the Causes Of Loss – Special Form applies, coverage under this Extension is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
- (3) If the Causes Of Loss – Broad Form applies, coverage under this Extension includes Collapse as set forth in that form.

- (4) Under this Extension, the most we will pay to replace or restore the lost information is \$2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist) and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and, therefore, coverage of such costs is not additional insurance.

d. Property Off-premises

- (1) You may extend the insurance provided by this Coverage Form to apply to your Covered Property while it is away from the described premises, if it is:
- (a) Temporarily at a location you do not own, lease or operate;
 - (b) In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or
 - (c) At any fair, trade show or exhibition.
- (2) This Extension does not apply to property:
- (a) In or on a vehicle; or
 - (b) In the care, custody or control of your salespersons, unless the property is in such care, custody or control at a fair, trade show or exhibition.
- (3) The most we will pay for loss or damage under this Extension is \$10,000.

e. Outdoor Property

You may extend the insurance provided by this Coverage Form to apply to your outdoor fences, radio and television antennas (including satellite dishes), trees, shrubs and plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), including debris removal expense, caused by or resulting from any of the following causes of loss if they are Covered Causes of Loss:

- (1) Fire;
- (2) Lightning;

- (3) Explosion;
- (4) Riot or Civil Commotion; or
- (5) Aircraft.

The most we will pay for loss or damage under this Extension is \$1,000, but not more than \$250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

Subject to all aforementioned terms and limitations of coverage, this Coverage Extension includes the expense of removing from the described premises the debris of trees, shrubs and plants which are the property of others.

f. Non-owned Detached Trailers

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to loss or damage to trailers that you do not own, provided that:
- (a) The trailer is used in your business;
 - (b) The trailer is in your care, custody or control at the premises described in the Declarations; and
 - (c) You have a contractual responsibility to pay for loss or damage to the trailer.
- (2) We will not pay for any loss or damage that occurs:
- (a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;
 - (b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.
- (3) The most we will pay for loss or damage under this Extension is \$5,000, unless a higher limit is shown in the Declarations.
- (4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

g. Business Personal Property Temporarily In Portable Storage Units

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to such property while temporarily stored in a portable storage unit (including a detached trailer) located within 100 feet of the described premises.
- (2) If the applicable Covered Causes of Loss form or endorsement contains a limitation or exclusion concerning loss or damage from sand, dust, sleet, snow, ice or rain to property in a structure, such limitation or exclusion also applies to property in a portable storage unit.
- (3) Coverage under this Extension:
 - (a) Will end 90 days after the business personal property has been placed in the storage unit;
 - (b) Does not apply if the storage unit itself has been in use at the described premises for more than 90 consecutive days, even if the business personal property has been stored there for 90 or fewer days as of the time of loss or damage.
- (4) Under this Extension, the most we will pay for the total of all loss or damage to business personal property is \$10,000 (unless a higher limit is indicated in the Declarations for such Extension) regardless of the number of storage units. Such limit is part of, not in addition to, the applicable Limit of Insurance on Your Business Personal Property. Therefore, payment under this Extension will not increase the applicable Limit of Insurance on Your Business Personal Property.
- (5) This Extension does not apply to loss or damage otherwise covered under this Coverage Form or any endorsement to this Coverage Form or policy, and does not apply to loss or damage to the storage unit itself.

Each of these Extensions is additional insurance unless otherwise indicated. The Additional Condition, Coinsurance, does not apply to these Extensions.

B. Exclusions And Limitations

See applicable Causes Of Loss form as shown in the Declarations.

C. Limits Of Insurance

The most we will pay for loss or damage in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs, whether or not the sign is attached to a building, is \$2,500 per sign in any one occurrence.

The amounts of insurance stated in the following Additional Coverages apply in accordance with the terms of such coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage:

- 1. Fire Department Service Charge;
- 2. Pollutant Clean-up And Removal;
- 3. Increased Cost Of Construction; and
- 4. Electronic Data.

Payments under the Preservation Of Property Additional Coverage will not increase the applicable Limit of Insurance.

D. Deductible

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

Example 1

(This example assumes there is no Coinsurance penalty.)

Deductible:	\$ 250
Limit of Insurance – Building 1:	\$ 60,000
Limit of Insurance – Building 2:	\$ 80,000
Loss to Building 1:	\$ 60,100
Loss to Building 2:	\$ 90,000

The amount of loss to Building 1 (\$60,100) is less than the sum (\$60,250) of the Limit of Insurance applicable to Building 1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Building 1:

\$ 60,100
– 250

\$ 59,850 Loss Payable – Building 1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Building 2. Loss payable for Building 2 is the Limit of Insurance of \$80,000.

Total amount of loss payable:

\$59,850 + \$80,000 = \$139,850

Example 2

(This example, too, assumes there is no Coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example 1.

Loss to Building 1:	\$ 70,000
(Exceeds Limit of Insurance plus Deductible)	
Loss to Building 2:	\$ 90,000
(Exceeds Limit of Insurance plus Deductible)	
Loss Payable – Building 1:	\$ 60,000
(Limit of Insurance)	
Loss Payable – Building 2:	\$ 80,000
(Limit of Insurance)	
Total amount of loss payable:	\$ 140,000

E. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

a. Pay its chosen appraiser; and

b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

a. You must see that the following are done in the event of loss or damage to Covered Property:

- (1) Notify the police if a law may have been broken.
- (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
- (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
- (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
- (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
- (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also, permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
- (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
- (8) Cooperate with us in the investigation or settlement of the claim.

- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Loss Payment

- a. In the event of loss or damage covered by this Coverage Form, at our option, we will either:
 - (1) Pay the value of lost or damaged property;
 - (2) Pay the cost of repairing or replacing the lost or damaged property, subject to **b.** below;
 - (3) Take all or any part of the property at an agreed or appraised value; or
 - (4) Repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.

- b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.
- c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- d. We will not pay you more than your financial interest in the Covered Property.
- e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.

- g. We will pay for covered loss or damage to Covered Property within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:

- (1) We have reached agreement with you on the amount of loss; or
- (2) An appraisal award has been made.

If you name an insurance trustee, we will adjust losses with you, but we will pay the insurance trustee. If we pay the trustee, the payments will satisfy your claims against us.

- h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation and Coinsurance Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

6. Unit-owner's Insurance

A unit-owner may have other insurance covering the same property as this insurance. This insurance is intended to be primary and not to contribute with such other insurance.

7. Vacancy

a. Description Of Terms

(1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in **(1)(a)** and **(1)(b)** below:

(a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

(b) When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

(i) Rented to a lessee or sublessee and used by the lessee or sublessee to conduct its customary operations; and/or

(ii) Used by the building owner to conduct customary operations.

(2) Buildings under construction or renovation are not considered vacant.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

(1) We will not pay for any loss or damage caused by any of the following even if they are Covered Causes of Loss:

(a) Vandalism;

(b) Sprinkler leakage, unless you have protected the system against freezing;

(c) Building glass breakage;

(d) Water damage;

(e) Theft; or

(f) Attempted theft.

(2) With respect to Covered Causes of Loss other than those listed in **b.(1)(a)** through **b.(1)(f)** above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

8. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

a. At actual cash value as of the time of loss or damage, except as provided in **b.** and **c.** below.

b. If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is \$2,500 or less, we will pay the cost of building repairs or replacement.

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property. However, the following property will be valued at the actual cash value, even when attached to the building:

(1) Awnings or floor coverings;

(2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or

(3) Outdoor equipment or furniture.

c. Glass at the cost of replacement with safety-glazing material if required by law.

9. Waiver Of Rights Of Recovery

We waive our rights to recover payment from any unit-owner of the condominium that is shown in the Declarations.

F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies:

a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

(1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;

(2) Divide the Limit of Insurance of the property by the figure determined in Step (1);

- (3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step (2); and
- (4) Subtract the deductible from the figure determined in Step (3).

We will pay the amount determined in Step (4) or the Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

Example 1 (Underinsurance)

When: The value of the property is: \$ 250,000
 The Coinsurance percentage for it is: 80%
 The Limit of Insurance for it is: \$ 100,000
 The Deductible is: \$ 250
 The amount of loss is: \$ 40,000

Step (1): $\$250,000 \times 80\% = \$200,000$
 (the minimum amount of insurance to meet your Coinsurance requirements)

Step (2): $\$100,000 \div \$200,000 = .50$

Step (3): $\$40,000 \times .50 = \$20,000$

Step (4): $\$20,000 - \$250 = \$19,750$

We will pay no more than \$19,750. The remaining \$20,250 is not covered.

Example 2 (Adequate Insurance)

When: The value of the property is: \$ 250,000
 The Coinsurance percentage for it is: 80%
 The Limit of Insurance for it is: \$ 200,000
 The Deductible is: \$ 250
 The amount of loss is: \$ 40,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 ($\$250,000 \times 80\%$). Therefore, the Limit of Insurance in this example is adequate and no penalty applies. We will pay no more than \$39,750 (\$40,000 amount of loss minus the deductible of \$250).

- b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

Example 3

When: The value of the property is:
 Building at Location 1: \$ 75,000
 Building at Location 2: \$ 100,000
 Personal Property at Location 2: \$ 75,000
 \$ 250,000

The Coinsurance percentage for it is: 90%

The Limit of Insurance for Buildings and Personal Property at Locations 1 and 2 is: \$ 180,000

The Deductible is: \$ 1,000

The amount of loss is:
 Building at Location 2: \$ 30,000

Personal Property at Location 2: \$ 20,000
 \$ 50,000

Step (1): $\$250,000 \times 90\% = \$225,000$
 (the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step (2): $\$180,000 \div \$225,000 = .80$

Step (3): $\$50,000 \times .80 = \$40,000$

Step (4): $\$40,000 - \$1,000 = \$39,000$

We will pay no more than \$39,000. The remaining \$11,000 is not covered.

2. Mortgageholders

- a. The term mortgageholder includes trustee.
- b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:
 - (1) Pays any premium due under this Coverage Part at our request if you have failed to do so;

- (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
- (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

- e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:
 - (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
 - (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgageholder at least:
 - (1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or
 - (2) 30 days before the effective date of cancellation if we cancel for any other reason.
- g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

G. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item:

1. Agreed Value

- a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.

- b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.
- c. The terms of this Optional Coverage apply only to loss or damage that occurs:
 - (1) On or after the effective date of this Optional Coverage; and
 - (2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

2. Inflation Guard

- a. The Limit of Insurance for property to which this Optional Coverage applies will automatically increase by the annual percentage shown in the Declarations.
- b. The amount of increase will be:
 - (1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times
 - (2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times
 - (3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

Example

If: The applicable Limit of Insurance is: \$ 100,000
 The annual percentage increase is: 8%
 The number of days since the beginning of the policy year (or last policy change) is: 146
 The amount of increase is:
 $\$100,000 \times .08 \times 146 \div 365 =$ \$ 3,200

3. Replacement Cost

- a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Loss Condition, Valuation, of this Coverage Form.
- b. This Optional Coverage does not apply to:
 - (1) Personal property of others;
 - (2) Contents of a residence; or
 - (3) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac.

Under the terms of this Replacement Cost Optional Coverage, personal property owned indivisibly by all unit-owners, and the property covered under Paragraph **A.1.a.(6)** of this Coverage Form, are not considered to be the personal property of others.

- c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.
- d. We will not pay on a replacement cost basis for any loss or damage:
 - (1) Until the lost or damaged property is actually repaired or replaced; and
 - (2) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage.
- e. We will not pay more for loss or damage on a replacement cost basis than the least of (1), (2) or (3), subject to f. below:
 - (1) The Limit of Insurance applicable to the lost or damaged property;
 - (2) The cost to replace the lost or damaged property with other property:
 - (a) Of comparable material and quality; and
 - (b) Used for the same purpose; or
 - (3) The amount actually spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost described in **e.(2)** above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

- f. The cost of repair or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

4. Extension Of Replacement Cost To Personal Property Of Others

- a. If the Replacement Cost Optional Coverage is shown as applicable in the Declarations, then this Extension may also be shown as applicable. If the Declarations show this Extension as applicable, then Paragraph **3.b.(1)** of the Replacement Cost Optional Coverage is deleted and all other provisions of the Replacement Cost Optional Coverage apply to replacement cost on personal property of others.

- b. With respect to replacement cost on the personal property of others, the following limitation applies:

If an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.

H. Definitions

- 1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.
- 2. "Pollutants" means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.
- 3. "Stock" means merchandise held in storage or for sale, raw materials and in-process or finished goods, including supplies used in their packing or shipping.

CAUSES OF LOSS – SPECIAL FORM

Words and phrases that appear in quotation marks have special meaning. Refer to Section **G**. Definitions.

A. Covered Causes Of Loss

When Special is shown in the Declarations, Covered Causes of Loss means direct physical loss unless the loss is excluded or limited in this policy.

B. Exclusions

1. We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

a. Ordinance Or Law

The enforcement of or compliance with any ordinance or law:

- (1) Regulating the construction, use or repair of any property; or
- (2) Requiring the tearing down of any property, including the cost of removing its debris.

This exclusion, Ordinance Or Law, applies whether the loss results from:

- (a) An ordinance or law that is enforced even if the property has not been damaged; or
- (b) The increased costs incurred to comply with an ordinance or law in the course of construction, repair, renovation, remodeling or demolition of property, or removal of its debris, following a physical loss to that property.

b. Earth Movement

- (1) Earthquake, including tremors and aftershocks and any earth sinking, rising or shifting related to such event;
- (2) Landslide, including any earth sinking, rising or shifting related to such event;
- (3) Mine subsidence, meaning subsidence of a man-made mine, whether or not mining activity has ceased;

- (4) Earth sinking (other than sinkhole collapse), rising or shifting including soil conditions which cause settling, cracking or other disarrangement of foundations or other parts of realty. Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.

But if Earth Movement, as described in **b.(1)** through **(4)** above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

- (5) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or Volcanic Action, we will pay for the loss or damage caused by that fire, building glass breakage or Volcanic Action.

Volcanic Action means direct loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

- (a) Airborne volcanic blast or airborne shock waves;
- (b) Ash, dust or particulate matter; or
- (c) Lava flow.

With respect to coverage for Volcanic Action as set forth in **(5)(a)**, **(5)(b)** and **(5)(c)**, all volcanic eruptions that occur within any 168-hour period will constitute a single occurrence.

Volcanic Action does not include the cost to remove ash, dust or particulate matter that does not cause direct physical loss or damage to the described property.

This exclusion applies regardless of whether any of the above, in Paragraphs **(1)** through **(5)**, is caused by an act of nature or is otherwise caused.

c. Governmental Action

Seizure or destruction of property by order of governmental authority.

But we will pay for loss or damage caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part.

d. Nuclear Hazard

Nuclear reaction or radiation, or radioactive contamination, however caused.

But if nuclear reaction or radiation, or radioactive contamination, results in fire, we will pay for the loss or damage caused by that fire.

e. Utility Services

The failure of power, communication, water or other utility service supplied to the described premises, however caused, if the failure:

- (1) Originates away from the described premises; or
- (2) Originates at the described premises, but only if such failure involves equipment used to supply the utility service to the described premises from a source away from the described premises.

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure or surge of power, or the failure of communication, water or other utility service, results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

Communication services include but are not limited to service relating to Internet access or access to any electronic, cellular or satellite network.

f. War And Military Action

- (1) War, including undeclared or civil war;

- (2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or

- (3) Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

g. Water

- (1) Flood, surface water, waves (including tidal wave and tsunami), tides, tidal water, overflow of any body of water, or spray from any of these, all whether or not driven by wind (including storm surge);

- (2) Mudslide or mudflow;

- (3) Water that backs up or overflows or is otherwise discharged from a sewer, drain, sump, sump pump or related equipment;

- (4) Water under the ground surface pressing on, or flowing or seeping through:

- (a) Foundations, walls, floors or paved surfaces;
- (b) Basements, whether paved or not; or
- (c) Doors, windows or other openings; or

- (5) Waterborne material carried or otherwise moved by any of the water referred to in Paragraph (1), (3) or (4), or material carried or otherwise moved by mudslide or mudflow.

This exclusion applies regardless of whether any of the above, in Paragraphs (1) through (5), is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs (1) through (5), results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

h. "Fungus", Wet Rot, Dry Rot And Bacteria

Presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria.

But if "fungus", wet or dry rot or bacteria result in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

This exclusion does not apply:

- (1) When "fungus", wet or dry rot or bacteria result from fire or lightning; or
- (2) To the extent that coverage is provided in the Additional Coverage, Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria, with respect to loss or damage by a cause of loss other than fire or lightning.

Exclusions **B.1.a.** through **B.1.h.** apply whether or not the loss event results in widespread damage or affects a substantial area.

2. We will not pay for loss or damage caused by or resulting from any of the following:

a. Artificially generated electrical, magnetic or electromagnetic energy that damages, disturbs, disrupts or otherwise interferes with any:

- (c) Pulse of electromagnetic energy; or
- (d) Electromagnetic waves or microwaves.

But if fire results, we will pay for the loss or damage caused by that fire.

- b.** Delay, loss of use or loss of market.
- c.** Smoke, vapor or gas from agricultural smudging or industrial operations.

d.(1) Wear and tear;

(2) Rust or other corrosion, decay, deterioration, hidden or latent defect or any quality in property that causes it to damage or destroy itself;

(3) Smog;

(4) Settling, cracking, shrinking or expansion;

(5) Nesting or infestation, or discharge or release of waste products or secretions, by insects, birds, rodents or other animals.

(7) The following causes of loss to personal property:

(a) Dampness or dryness of atmosphere;

(b) Changes in or extremes of temperature; or

(c) Marring or scratching.

But if an excluded cause of loss that is listed in **2.d.(1)** through **(7)** results in a "specified cause of loss" or building glass breakage, we will pay for the loss or damage caused by that "specified cause of loss" or building glass breakage.

e. Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control. But if explosion of steam boilers, steam pipes, steam engines or steam turbines results in fire or combustion explosion, we will pay for the loss or damage caused by that fire or combustion explosion. We will also pay for loss or damage caused by or resulting from the explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.

f. Continuous or repeated seepage or leakage of water, or the presence or condensation of humidity, moisture or vapor, that occurs over a period of 14 days or more.

This exclusion:

- (1)** Applies whether or not an act occurs during your normal hours of operation;

But if collapse results in a Covered Cause of Loss at the described premises, we will pay for the loss or damage caused by that Covered Cause of Loss.

This exclusion, **k.**, does not apply:

 - l.** Discharge, dispersal, seepage, migration, release or escape of "pollutants" unless the discharge, dispersal, seepage, migration, release or escape is itself caused by any of the "specified causes of loss". But if the discharge, dispersal, seepage, migration, release or escape of "pollutants" results in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".
- This exclusion, **l.**, does not apply to damage to glass caused by chemicals applied to the glass.
- m.** Neglect of an insured to use all reasonable means to save and preserve property from further damage at and after the time of loss.
- 3.** We will not pay for loss or damage caused by or resulting from any of the following, **3.a.** through **3.c.** But if an excluded cause of loss that is listed in **3.a.** through **3.c.** results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.
- a.** Weather conditions. But this exclusion only applies if weather conditions contribute in any way with a cause or event excluded in Paragraph **1.** above to produce the loss or damage.

1. We will not pay for loss of or damage to property, as described and limited in this section. In addition, we will not pay for any loss that is a consequence of loss or damage as described and limited in this section.

 - (2) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.

- d. Building materials and supplies not attached as part of the building or structure, caused by or resulting from theft.

 - g. Lawns, trees, shrubs or plants which are part of a vegetated roof, caused by or resulting from:

3. The special limit shown for each category, a. through d., is the total limit for loss of or damage to all property in that category. The special limit applies to any one occurrence of theft, regardless of the types or number of articles that are lost or damaged in that occurrence. The special limits are (unless a higher limit is shown in the Declarations):

- a. \$2,500 for furs, fur garments and garments trimmed with fur.
- b. \$2,500 for jewelry, watches, watch movements, jewels, pearls, precious and semiprecious stones, bullion, gold, silver, platinum and other precious alloys or metals. This limit does not apply to jewelry and watches worth \$100 or less per item.

These special limits are part of, not in addition to, the Limit of Insurance applicable to the Covered Property.

This limitation, C.3., does not apply to Business Income Coverage or to Extra Expense Coverage.

4. We will not pay the cost to repair any defect to a system or appliance from which water, other liquid, powder or molten material escapes. But we will pay the cost to repair or replace damaged parts of fire-extinguishing equipment if the damage:

- b. Is directly caused by freezing.

However, this limitation does not apply to Business Income Coverage or to Extra Expense Coverage.

D. Additional Coverage – Collapse

The coverage provided under this Additional Coverage, Collapse, applies only to an abrupt collapse as described and limited in D.1. through D.7.

1. For the purpose of this Additional Coverage, Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.

2. We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this Coverage Form or that contains Covered Property insured under this Coverage Form, if such collapse is caused by one or more of the following:

- a. Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;
- b. Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
- c. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.
- d. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:

- (1) A cause of loss listed in 2.a. or 2.b.;
- (2) One or more of the "specified causes of loss";
- (3) Breakage of building glass;
- (4) Weight of people or personal property; or
- (5) Weight of rain that collects on a roof.

3. This **Additional Coverage – Collapse** does **not** apply to:

- a. A building or any part of a building that is in danger of falling down or caving in;
- b. A part of a building that is standing, even if it has separated from another part of the building; or
- c. A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

4. With respect to the following property:

- a. Outdoor radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers;

- b. Awnings, gutters and downspouts;
 - c. Yard fixtures;
 - d. Outdoor swimming pools;
 - e. Fences;
 - f. Piers, wharves and docks;
 - g. Beach or diving platforms or appurtenances;
 - h. Retaining walls; and
 - i. Walks, roadways and other paved surfaces;
- if an abrupt collapse is caused by a cause of loss listed in **2.a.** through **2.d.**, we will pay for loss or damage to that property only if:

- (1) Such loss or damage is a direct result of the abrupt collapse of a building insured under this Coverage Form; and
- (2) The property is Covered Property under this Coverage Form.

5. If personal property abruptly falls down or caves in and such collapse is **not** the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:
- a. The collapse of personal property was caused by a cause of loss listed in **2.a.** through **2.d.**;
 - b. The personal property which collapses is inside a building; and
 - c. The property which collapses is not of a kind listed in **4.**, regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph **5.** does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

- 6. This Additional Coverage, Collapse, does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
- 7. This Additional Coverage, Collapse, will not increase the Limits of Insurance provided in this Coverage Part.
- 8. The term Covered Cause of Loss includes the Additional Coverage, Collapse, as described and limited in **D.1.** through **D.7.**

E. Additional Coverage – Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria

1. The coverage described in **E.2.** and **E.6.** only applies when the "fungus", wet or dry rot or bacteria are the result of one or more of the following causes that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence:

- a. A "specified cause of loss" other than fire or lightning; or
- b. Flood, if the Flood Coverage Endorsement applies to the affected premises.

This Additional Coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.

2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:

- a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
- b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
- c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.

3. The coverage described under **E.2.** of this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continue to be present or active, or recur, in a later policy period.

4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph F.2. (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes Of Loss form or under the Additional Coverage, Collapse.
6. The following, 6.a. or 6.b., applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form:
- a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
 - b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

F. Additional Coverage Extensions

1. Property In Transit

This Extension applies only to your personal property to which this form applies.

- a. You may extend the insurance provided by this Coverage Part to apply to your personal property (other than property in the care, custody or control of your salespersons) in transit more than 100 feet from the described premises. Property must be in or on a motor vehicle you own, lease or operate while between points in the coverage territory.
- b. Loss or damage must be caused by or result from one of the following causes of loss:
 - (1) Fire, lightning, explosion, windstorm or hail, riot or civil commotion, or vandalism.
 - (2) Vehicle collision, upset or overturn. Collision means accidental contact of your vehicle with another vehicle or object. It does not mean your vehicle's contact with the roadbed.
 - (3) Theft of an entire bale, case or package by forced entry into a securely locked body or compartment of the vehicle. There must be visible marks of the forced entry.
- c. The most we will pay for loss or damage under this Extension is \$5,000.

This Coverage Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

2. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

3. Glass

- a. We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.
- b. We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

This Coverage Extension **F.3.** does not increase the Limit of Insurance.

G. Definitions

- 1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.
- 2. "Specified causes of loss" means the following:
 - fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire-extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.
 - a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:
 - (1) The cost of filling sinkholes; or
 - (2) Sinking or collapse of land into man-made underground cavities.
 - b. Falling objects does not include loss or damage to:
 - (1) Personal property in the open; or
 - (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.
 - c. Water damage means:
 - (1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam; and

- (2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe caused by wear and tear, when the pipe is located off the described premises and is connected to or is part of a potable water supply system or sanitary sewer system operated by a public or private utility service provider pursuant to authority granted by the state or governmental subdivision where the described premises are located.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage under this policy in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in **c.(1)** or **c.(2)** of this definition of "specified causes of loss," such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the surface of the ground.

Legal Action Against Us
No one may bring a legal action against us under this Coverage Part unless:
1. There has been full compliance with all of the terms of this Coverage Part; and
 2. The action is brought within three years after the date on which the direct physical loss or damage occurred.
- C.** Paragraph **d.** of the **Replacement Cost Optional Coverage** is replaced by the following:

- With respect to tenants' improvements and betterments, if covered, the following also apply:

- D.** The **Appraisal Loss** Condition is replaced by the following:
Appraisal
If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. You and we must notify the other of the appraiser selected within 20 days of the written demand for appraisal. The two appraisers will select an umpire. If the appraisers do not agree on the selection of an umpire within 15 days, they must request selection of an umpire by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be the appraised value of the property or amount of loss. If you make a written demand for an appraisal of the loss, each party will:
- a.** Pay its chosen appraiser; and
 - b.** Bear the other expenses of the appraisal and umpire equally.

E. The following condition is added:

Time Period For Performance Of Contractual Obligations

Whenever a state of disaster is proclaimed for the state of North Carolina or for an area within this state in accordance with state law, or whenever a major disaster is declared for North Carolina or an area within this state by the President of the United States under the Stafford Act or its successors, the following provisions apply:

1. If the Covered Property that has sustained loss or damage is located within the geographic area designated in the disaster declaration or proclamation, the time period for your submission of a proof of loss (as set forth in the Duties In The Event Of Loss Or Damage Condition or similar provision in this Coverage Part or in an endorsement attached to this Coverage Part) shall be extended by a time period not exceeding the earlier of:
 - a. The expiration of the disaster proclamation or declaration and all renewals of the proclamation; or
 - b. The expiration of the Insurance Commissioner's order declaring action for the specific disaster, as determined by the Insurance Commissioner.
2. Except as otherwise provided in Paragraph 1., the following applies if you or we reside in or are located in the geographic area designated in the disaster declaration or proclamation:

 - b. Any other duty or any act (including transmittal of information),

under the terms of this Coverage Part and such performance would be required during the time period prior to the expiration of the Insurance Commissioner's order declaring action for the specific disaster, as determined by the Insurance Commissioner, your performance and our performance is subject to a deferral period of 30 days. The Commissioner of Insurance may extend such deferral period.

SCHEDULE

The **Exception Covering Certain Fire Losses** (Paragraph C) applies to property located in the following state(s), if covered under the indicated Coverage Form, Coverage Part or Policy:

State(s)	Coverage Form, Coverage Part Or Policy
NC	COMMERCIAL PROPERTY COVERAGE PART
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. The following definition is added with respect to the provisions of this endorsement:

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

B. The following exclusion is added:

CERTIFIED ACT OF TERRORISM EXCLUSION

We will not pay for loss or damage caused directly or indirectly by a "certified act of terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

C. Exception Covering Certain Fire Losses

The following exception to the exclusion in Paragraph B. applies only if indicated and as indicated in the Schedule of this endorsement.

If a "certified act of terrorism" results in fire, we will pay for the loss or damage caused by that fire. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements which apply to those forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

D. Application Of Other Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.
